Subcommittee*

Scott York, Director

Tina Cochran, Chief Financial Officer

March 20, 2021

Alaska Psychiatric Institute

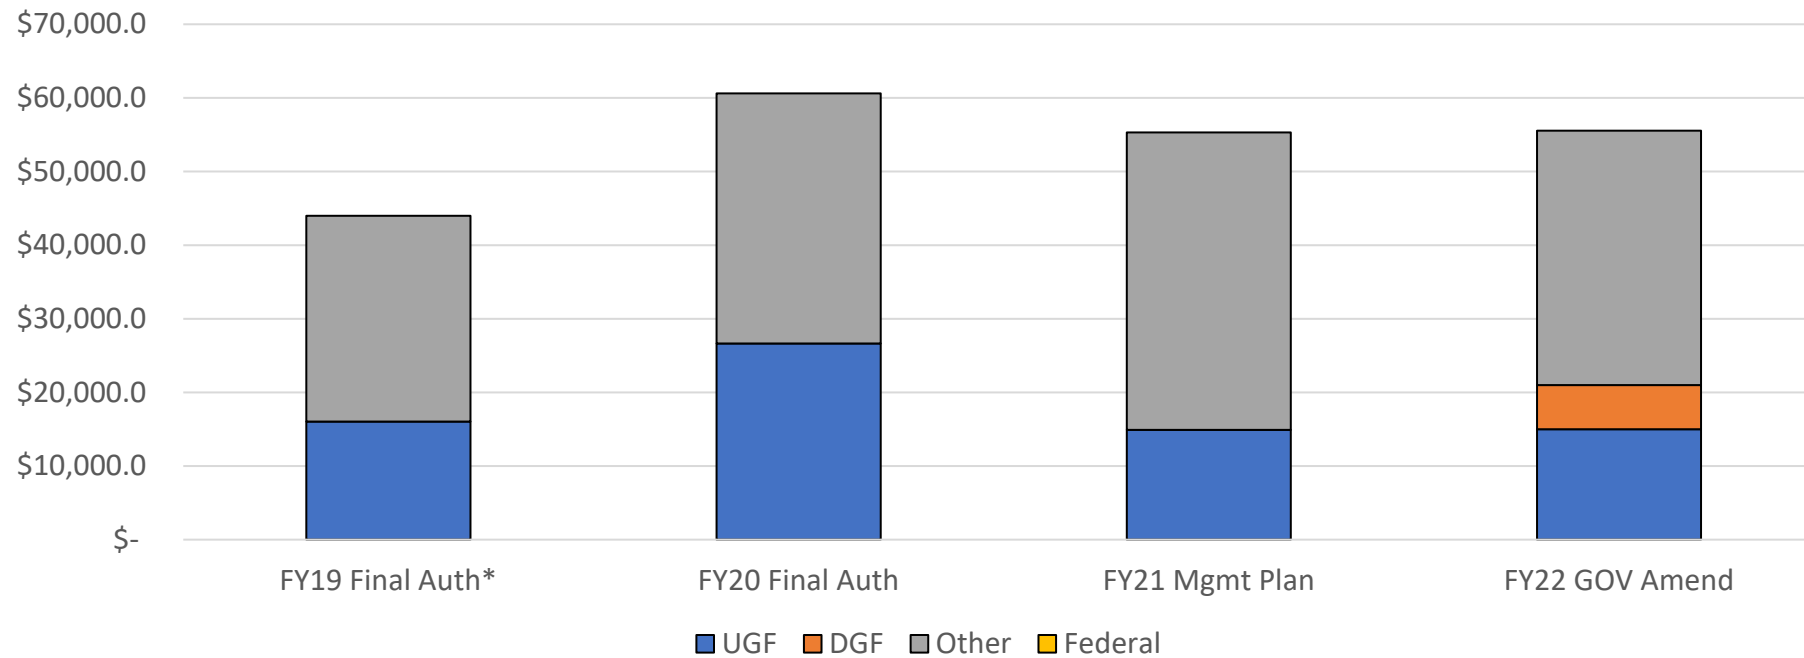

Alaska Psychiatric Institute (API) began serving Alaskans in 1962. API operates 5 inpatient units with a total of 80 licensed beds. Current services delivered include acute adult inpatient, forensic restoration, and long-term care for adults with complex discharge challenges.

Vision

Excellent experiences for patients, families, community supports, students, and staff with quality treatment and best practices in mental health care.
