FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION

BILL NO. HB 155

Analysis

This bill would transfer from the Office of Public Advocacy (OPA) to the court system the duty to provide court visitors in guardianship cases, and in cases involving the involuntary administration of psychotropic medication. This fiscal note reflects the budget reduction in OPA associated with the transfer.

By current statute, Judges appoint court visitors provided by OPA to assess the needs and conditions of respondents in guardianship proceedings. Visitors are neutral evaluators who submit their assessment directly to the judge in the case. Visitors also make reports on the continuing appropriateness of the guardianship by conducting a follow-up review every three years. Finally, court visitors are appointed in cases where an evaluation or treatment facility, requests that a court order a person in their care to receive psychotropic medication. The visitor's role in that type of appointment is to assess the competency of the person to consent, or not, to the administration of the drug.
