SUBJ: HB 155

During the April, 5th House Judiciary Committee meeting on HB 155 I was asked how many cases were filed each year under AS 47.30.879 (Court-ordered administration of medication). Last year there were a total of 63 cases: 50 in Anchorage, 5 in Fairbanks, 5 in Juneau, and 3 in Palmer.

I hope this answers the question, but please let me know if you would like additional information.
