FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION

BILL NO. HB 137

Analysis

This bill removes the ability to close a state Division of Motor Vehicles (DMV) office in the future in communities that have 850 or more citizens irrespective of need, economic conditions, demand for services, facility considerations, cost to the state, staffing provisions, technological advances, changes to the industry, or other unforeseen conditions. It is unclear the negative effect that this will have on the DMV. Passage of the bill would not allow DMV to establish a replacement partner when needed. Historically, at the end of the fiscal year, DMV lapses funds to the general fund and the effect of this bill will result in a decrease of DMV lapsed funds. This legislation would require DMV to continue operating these six locations and would require an additional cost of \$582.5 in DMV receipts.
