

Overview of the Connecticut Green Bank

Testimony to the AK Senate Labor and Commerce Committee (Senate Bill 123)

April 14, 2021

Bert Hunter
Chief Investment Officer
Connecticut Green Bank

Connecticut Green Bank

About Us

- **Quasi-public organization** – Created in 2011 and successor to the Connecticut Clean Energy Fund.
- **Focus** – Finance clean energy (i.e. renewable energy, energy efficiency, energy storage, alternative fuel vehicles and infrastructure, etc.).
- **Balance Sheet** – Approx \$77m net position & \$213m assets FY20
- **Revenue & Funding** – from a variety of sources, including:
 - **State Support** – \$0.001/kWh surcharge on electric ratepayer bills (about \$7-\$10 per household per year ≈ \$24-26M per year) and **Regional Greenhouse Gas Initiative** about \$3-5M per year (for renewable energy)
 - **Federal Support** – competitive solicitations (e.g., SunShot, USDA, etc.) and non-competitive resources (e.g., ARRA-SEP)
 - **Portfolio Cash Flow** – Approx \$8M / year
 - **Bonds & Borrowing** – issue “green liberty bonds,” bank loan facilities, tax equity investors, and foundations (e.g., PRI’s)

Green Liberty Bonds

REFERENCES

1. Several transactions such as small hydro, wind, microgrid, CHP and anaerobic digestors not represented on slide
2. LLR of \$3.3 MM yields high leverage – and it is 2nd loss and thus with no to low defaults (i.e., 10 loans out of 3,447 have defaulted as of 12/31/18 with \$22K in LLR). IRB's using ARRA-SEP not considered in the leverage ratio.

Green Liberty Bonds

<http://www.greenlibertybonds.com/>

We appreciate your interest in Connecticut Green Bank's Green Liberty Bonds, which will support critical investment in clean energy and energy efficiency projects and infrastructure throughout the State.

Our 2020 issuance of Green Liberty Bonds was a success, selling out of nearly \$17 million of bonds, with priority given to retail investors. These bonds helped the Connecticut Green Bank energize the green economy and confront climate change to provide all of society a healthier and more prosperous future. Through our Green Liberty Bonds, we are empowering more people to support our transition to a zero carbon economy – creating the sustainable future and modern infrastructure we want to see in our society.

Bond Awards

- The Green Bank won two Environmental Finance Bond awards in 2020. The awards were judged by an independent panel comprising 30 of the world's largest green, social and sustainability bond investors
- The Green Bank also won the Bond Buyer Innovative Deal of the Year Award. The Deal of the Year awards recognize innovation in municipal finance and represent the full diversity of the communities and public purposes that are served by the municipal finance market.
