### FISCAL NOTE ANALYSIS

## STATE OF ALASKA 2021 LEGISLATIVE SESSION

# **Analysis**

	This legislation allows U.S. reinsurers easier financial access to qualified alien jurisdictions and makes reinsurance markets in the U.S. more competitive by allowing qualified and well-capitalized alien reinsurers to compete in the U.S. market on a more equitable basis.
	The legislation is modeled on the Credit for Reinsurance Model Law #785 developed by the National Association of Insurance Commissioners (NAIC). NAIC's Model Law #785 is being enacted across all 50 states and six territories. It is expected that each jurisdiction will enact Model Law #785 by September 2022.
	The Division of Insurance does not anticipate fiscal impact from this legislation.
