ACCOMPLISHMENTS

I have effectively supervised law enforcement efforts throughout the State of Alaska. My background as a state trooper, field supervisor and as a command level leader has included many diverse assignments, which has provided me with a solid background of tackling the complex issues facing the Alaska State Troopers (AST). With my leadership background, I understand the value of teamwork, and the importance of committed, and trusting relationships. As the AST Director, I understand the importance of communicating and collaborating with local, state and federal agencies, and other associations to aide and meet the Division's important mission of protecting Alaska's citizens. I have effectively led two contract security companies providing physical security at two Maritime Transportation Security Act (MTSA) Facilities as the Facility Security Officer (FSO).
