# Career & Technical College

*Provides career and technical education that trains essential workers for Alaska's workforce*

*Serves Fairbanks, Delta and North Pole*

*Programs for U.S. Military*

# Impact in Local Communities

*“Without CRCD’s distance education classes, it would have been impossible to earn my degree. The Tribal Management program helped me grow into my role as a leader.*

*No longer do I feel like I am struggling or blindly trying to figure stuff out. I have the tools to advocate for and protect our tribal land.”*

-Jessica Fields  
Tribal Administrator of Circle, Alaska
