Letter of Intent
HOUSE BILL NO. 100
Version 32-LS0565\A

It is the intent of the Thirty-Second Alaska State Legislature that the Department of Education and Early Development, the Department of Labor and Workforce Development, and the University of Alaska cooperate with a special audit of the Technical Vocational Education Program (TVEP), conducted under AS 24.20.281, if approved by the Legislative Budget and Audit Committee, and to begin within two years after the effective date of HB 100.

A three-year TVEP extension gives sufficient time for the legislative auditor to complete a special audit and present their findings to the legislature prior to the next sunset date of June 30, 2024.
