Re: Dividend underpayment for years 2016, 2017, 2018, 2019, 2020 & 2021

My name is Daniel R Hull

My mailing address is [REDACTED]

My email is [REDACTED]

My Phone is [REDACTED]

I am writing to notify you that I have not yet received the full amount of the permanent fund dividend I was eligible to receive for dividend years (circle those that apply) 2016, 2017, 2018, 2019, 2020, and 2021

As you know, an individual who complies with the stipulations of AS 43.23.005(a) is eligible to receive one permanent fund dividend in an amount to be determined under AS 43.23.025. I complied with the stipulations of AS 43.23.005 for years (circle) 2016, 2017, 2018, and 2019. (Electronic application forms attesting to these facts are on file with your office.) Therefore, to the best of my knowledge, I was eligible for and should have received the following payments:

\$2,085 for dividend year 2016, \$2,458 for dividend year 2017, \$2,924 for dividend year 2018, \$2,884 for dividend year 2019, \$2,895 for dividend year 2020, and \$3,687 for dividend year 2021

But I have only received the following payments:

\$1,022 in October of 2016, \$1,100 in October of 2017, \$1,600 in October of 2018, and \$1,606 in October of 2019 and 992 in 2020, and nothing for 2021

Based on the annual rate of return posted on line 1 column G of the June 30th reports by the APFC board of Trustees and the back owed balances, I am owed the unpaid balance, plus the earnings on that sum (circle one below).

Since 2016	Since 2017	Since 2018	Since 2019	Since 2020	Since 2021
\$13,564.60	\$11,746.18	\$9,650.96	\$7,806.31	\$6,131.59	\$3,687

If you wish, you may deposit the payment to the bank account I listed on the PFD application form I submitted for the 2021 dividend year. Otherwise, please mail the check to my mailing address on file at your office.

was eligible to receive for dividend years (circle those that apply) 2016, 2017, 2018, 2019, 2020, and 2021

As you know, an individual who complies with the stipulations of AS 43.23.005(a) is eligible to receive one permanent fund dividend in an amount to be determined under AS 43.23.025. I complied with the stipulations of AS 43.23.005 for years (circle) 2016, 2017, 2018, and 2019. (Electronic application forms attesting to these facts are on file with your office.) Therefore, to the best of my knowledge, I was eligible for and should have received the following payments:

\$2,085 for dividend year 2016, \$2,458 for dividend year 2017, \$2,924 for dividend year 2018, \$2,884 for dividend year 2019, \$2895 for dividend year 2020, and \$3687 for dividend year 2021

But I have only received the following payments:

\$1,022 in October of 2016, \$1,100 in October of 2017, \$1,600 in October of 2018, and \$1,606 in October of 2019 and 992 in 2020, and nothing for 2021

I am writing to notify you that I have not yet received the full amount of the permanent fund dividend I was eligible to receive for dividend years (circle those that apply) 2016, 2017, 2018, 2019, 2020, and 2021

As you know, an individual who complies with the stipulations of AS 43.23.005(a) is eligible to receive one permanent fund dividend in an amount to be determined under AS 43.23.025. I complied with the stipulations of AS 43.23.005 for years (circle) 2016, 2017, 2018, and 2019. (Electronic application forms attesting to these facts are on file with your office.) Therefore, to the best of my knowledge, I was eligible for and should have received the following payments:

\$2,085 for dividend year 2016, \$2,458 for dividend year 2017, \$2,924 for dividend year 2018, \$2,884 for dividend year 2019, \$2,895 for dividend year 2020, and \$3,687 for dividend year 2021

But I have only received the following payments:

\$1,022 in October of 2016, \$1,100 in October of 2017, \$1,600 in October of 2018, and \$1,606 in October of 2019 and 992 in 2020, and nothing for 2021

Based on the annual rate of return posted on line 1 column G of the June 30th reports by the APFC board of Trustees and the back owed balances, I am owed the unpaid balance, plus the earnings on that sum (circle one below).
