FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

BILL NO. HB 227

Analysis

HB 227 adds the word “resilience” to the municipal energy improvement assessment programs, naming them the “municipal energy and resilience improvement assessment programs”. It allows a municipality to establish an energy improvement assessment program under AS 29.55.100 – AS 29.55.165 to include building resilience improvements. Additionally, HB 227 broadens the costs a municipality can finance and the costs that can be repaid for an energy or resilience improvement assessment.

The Division of Community and Regional Affairs does not anticipate a fiscal impact from this legislation.
