

Alcoholic Beverage Control (ABC) Board Title 4 Review Project

Overview of Senate Bill 9

House Labor and Commerce Committee

February 11, 2022

Why Alcohol Control? Why Title 4?

- Since repeal of Prohibition in 1933, states are responsible for regulating alcohol manufacture, distribution and sales in its jurisdiction.
- Alcohol is not like other commodities:
 - Intoxicating substance, not appropriate for children
 - Economic incentives to encourage drinking
 - Has social and public costs: law enforcement, health impacts, violence & assaults, driving under influence (DUI)
 - Licensing regulates the market: oversight of sales; prevents underage access (selling to minors); clear enforcement.
- Decades of state and federal law say:
it is in the public interest to regulate alcohol, with a responsible industry and reasonable enforcement.

Goals of Title 4 Review Process

A comprehensive review, updates and common-sense changes to make Title 4 work better for everyone.

Promote a fair business climate while protecting public health and safety.

The 3-Tier System

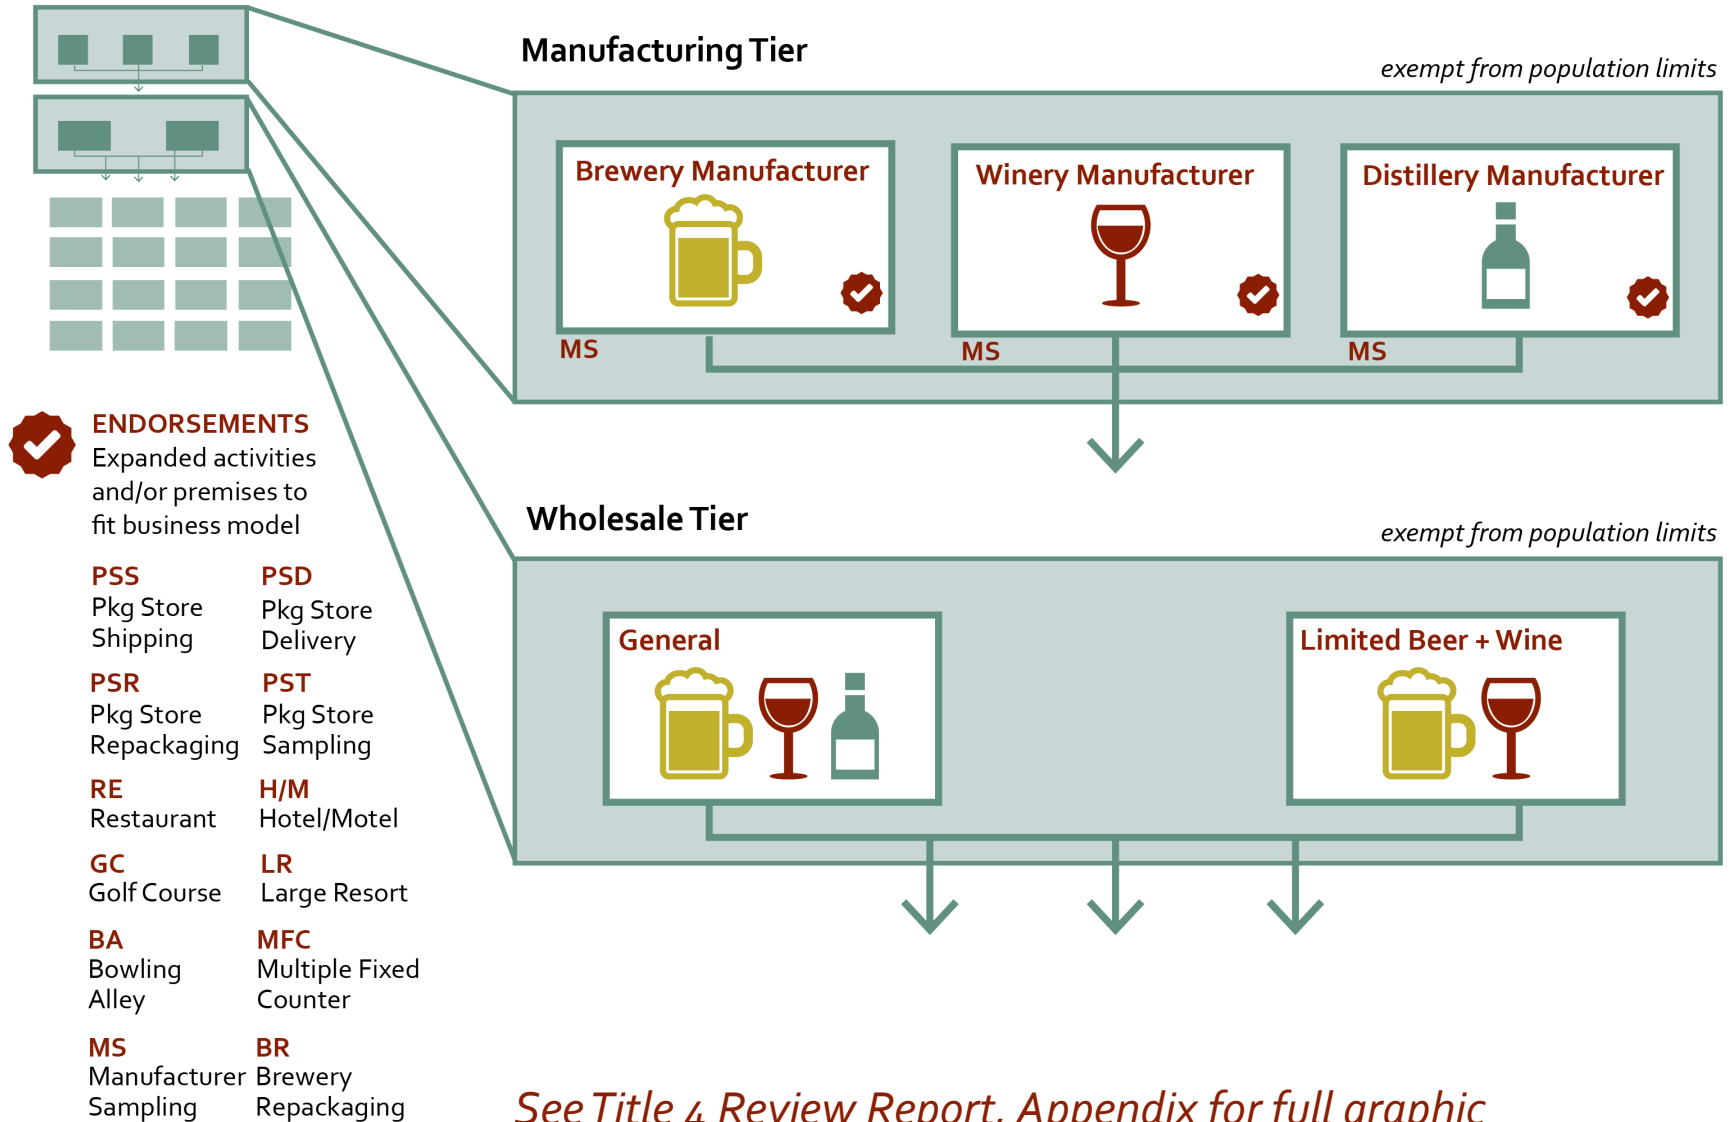

Alcohol must be manufactured, distributed and sold to the public by different businesses.

This is designed to prevent monopolies.

Alaska's Liquor License System: Proposed Changes

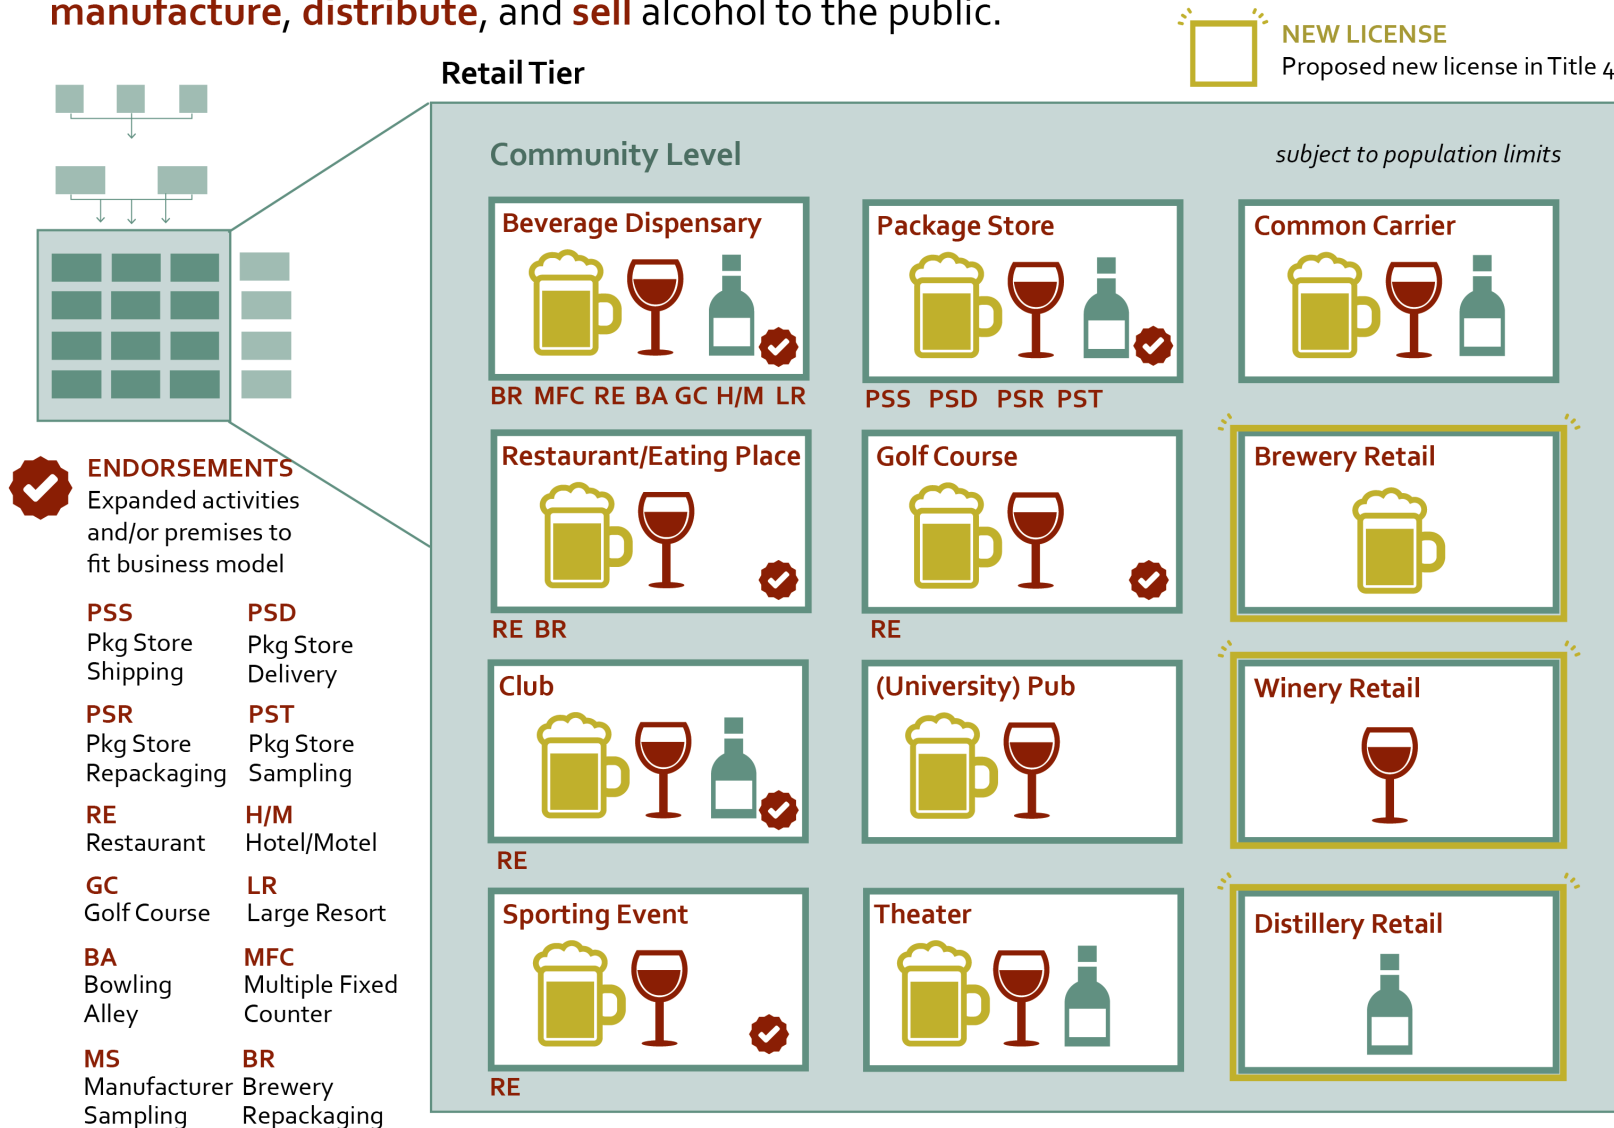

Alaska's license system is based on the 3-tier system of alcohol regulation: separate entities **manufacture**, **distribute**, and **sell** alcohol to the public.

See Title 4 Review Report, Appendix for full graphic

Brewery + BDL or REPL

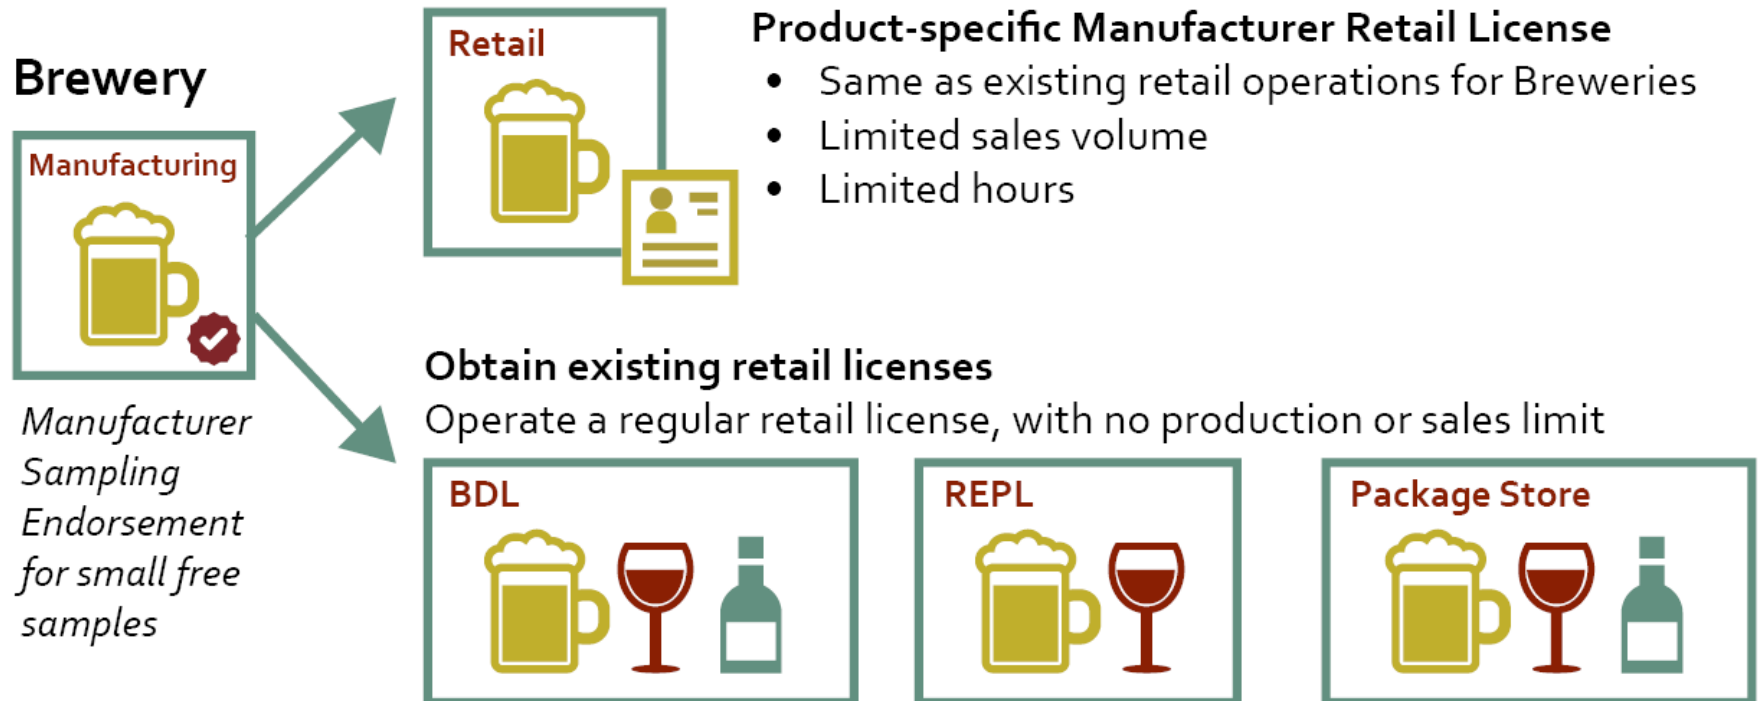

Brewery or Winery

REPL or Seasonal REPL

Proposed: More Retail Options for Manufacturers

The Brewery license used as an example. The same system applies for wineries and distilleries.

Proposed: Endorsements on Licenses

Add endorsements to existing licenses, giving businesses flexibility in how to operate, without creating more specific license types.

BASE LICENSE

ENDORSEMENTS

Expanded activities and/or premises to fit business model

Endorsements would allow sampling on premises, multiple bar rooms, deliveries by package stores, etc.

Section 13, 04.09.400; endorsements defined in 04.09.410 - .520

Proposed Endorsements

- R-7A | Bowling Alley Endorsement
- R-7B | Package Store Shipping Endorsement

- [R-3] Package Store Sampling Endorsement
- [M-1] Brewery Repackaging Endorsement

Proposed: Limited Free Samples for Package Stores

- In current Title 4, Package Stores cannot allow any consumption on premises
- The bill would allow small free samples, with a Package Store Sampling Endorsement
- Ounce limits defined as: “Any combination of products, not to exceed the alcohol equivalent of any single product type”
- Ex: Customer A chooses 12 oz. beer. Customer B chooses 6 oz. cider and 3 oz. wine. Customer C chooses 2 oz. wine, 2 oz. sake, and 4 oz. beer.

12 oz.	6 oz.	1.5 oz.
Beer 	Wine, Mead * 	Spirits

** Cider and mead limits depend on alcohol content: products below 8.5% ABV have a higher sales limit.*

- The event may be in the store or another area of their property, such as a special event space. It may not be held in an offsite location.
- Licensees can only offer products in their inventory.

Hosting license

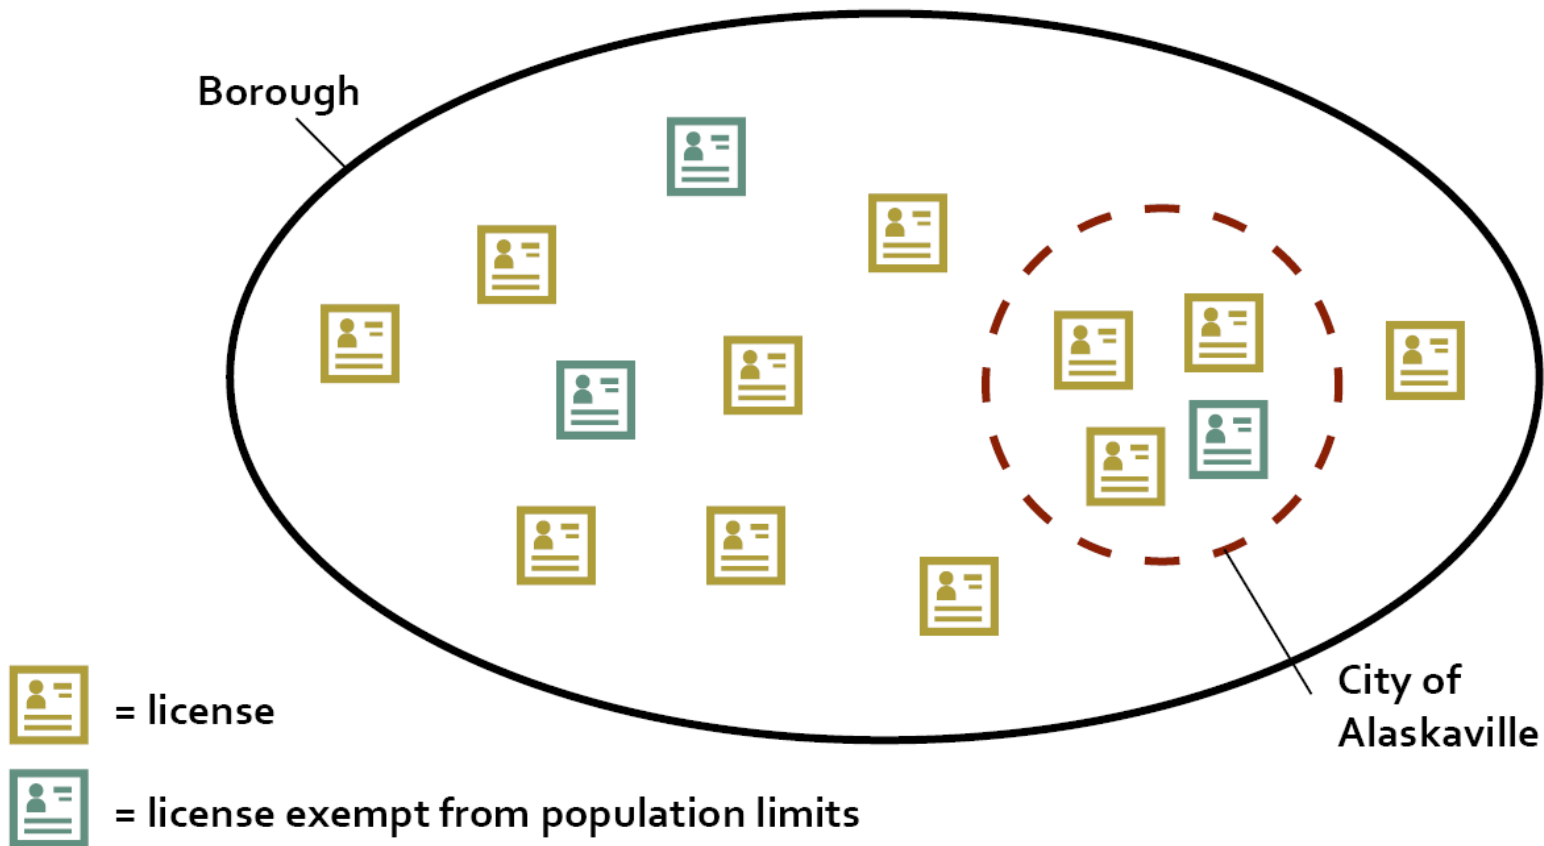

- Event may last up to 4 hours, and must end by 9 p.m.
- Must also serve food
- Each license can host 6 events per year in the same community as the license is located

Population Limits: *Current Title 4*

(AS 04.11.400)

- Some license types are exempt from population limits: most exempt license types are designed to serve tourists and travelers, such as hotels or outdoor recreation lodges.
- They can be issued if other qualifications are met (ex: minimum number of hotel rooms).

Proposed Seasonal REPL Tourism

- Seasonal restaurant license
- Available in smaller communities (< 40,000 pop.)
- Same operating requirements and privileges as full-year restaurants (REPL)
- Number of licenses per community determined by formula:

5-year average of annual visitors / months in season = Average monthly visitor population

(Residents + average monthly visitors) / 1,500 = Available Seasonal REP Tourism licenses

- Season defined as up to 6 months per year, in any combination
 - Example: May through September + 1 winter month

Proposed: Convert Public Convenience Licenses and Applications

Existing Public Convenience licenses would be converted to regular Restaurant or Eating Place Licenses (REPLs).

Public Convenience

Not transferrable

REPL

Transferrable to new owner or location

Applications that have been completed as of the bill's signing date would be converted to applications for regular REPLs, and could be approved by the ABC Board outside the existing population limits.

Proposed: Option to Relocate Some Licenses from a Borough to a City

(AS 04.11.400)

- Current Title 4 allows relocation of a bar (BDL) from a borough to a city within that borough.
- The bill proposes also allowing relocation of package stores.

Section 52, 04.11.400(k)

Proposed: Regulate Trade Practices

Some trade practices are illegal in federal law: practices of alcohol manufacturers and wholesalers to compel retailers' buying decisions, or stopping them from buying competitors' products.

Proposed: add equivalent sections to Title 4, protect retailers and allow for state enforcement.

Tied house

Partial ownership of retail license by a manufacturer, to control what products are sold or exclude competitors. Does not apply to 100% manufacturer-owned licenses.

Exclusive outlet

Agreement between supplier and retailer to exclude other retailers or suppliers.

Commercial bribery

Supplier pays bonus or provides merchandise in exchange for exclusive arrangement or agreement not to purchase other products.

Consignment sales

Supplier and retailer make deals to take back unsold products.

Adjust License Fees to Reflect Current ABC Budgetary Needs

- Update license fees fairly across similar license, and collect revenue sufficient to cover the ABC Board and AMCO's required activities:
 - Administration of licenses & permits
 - Education about Title 4 and related regulations
 - Enforcement of Title 4 and related regulations
 - Needed tech upgrade: electronic license renewal system
- ABC Board required to review fees every 5 years.
- See Appendix, Table 2 of the Title 4 Review report for current license fees and proposed changes.

Proposed: More Accountability for License Fees Allocated to Local Governments

- Current Title 4 allows for local governments to receive an allocation equal to the license fees collected in their area, intended for enforcement of Title 4 and related ordinances.
- Reporting on these activities is required, but not defined in statute. Some jurisdictions report regularly, while others do not.
- The bill includes better reporting and prevention about use of these funds, and requiring reports about education activities as well as enforcement.

Section 81, 04.11.610

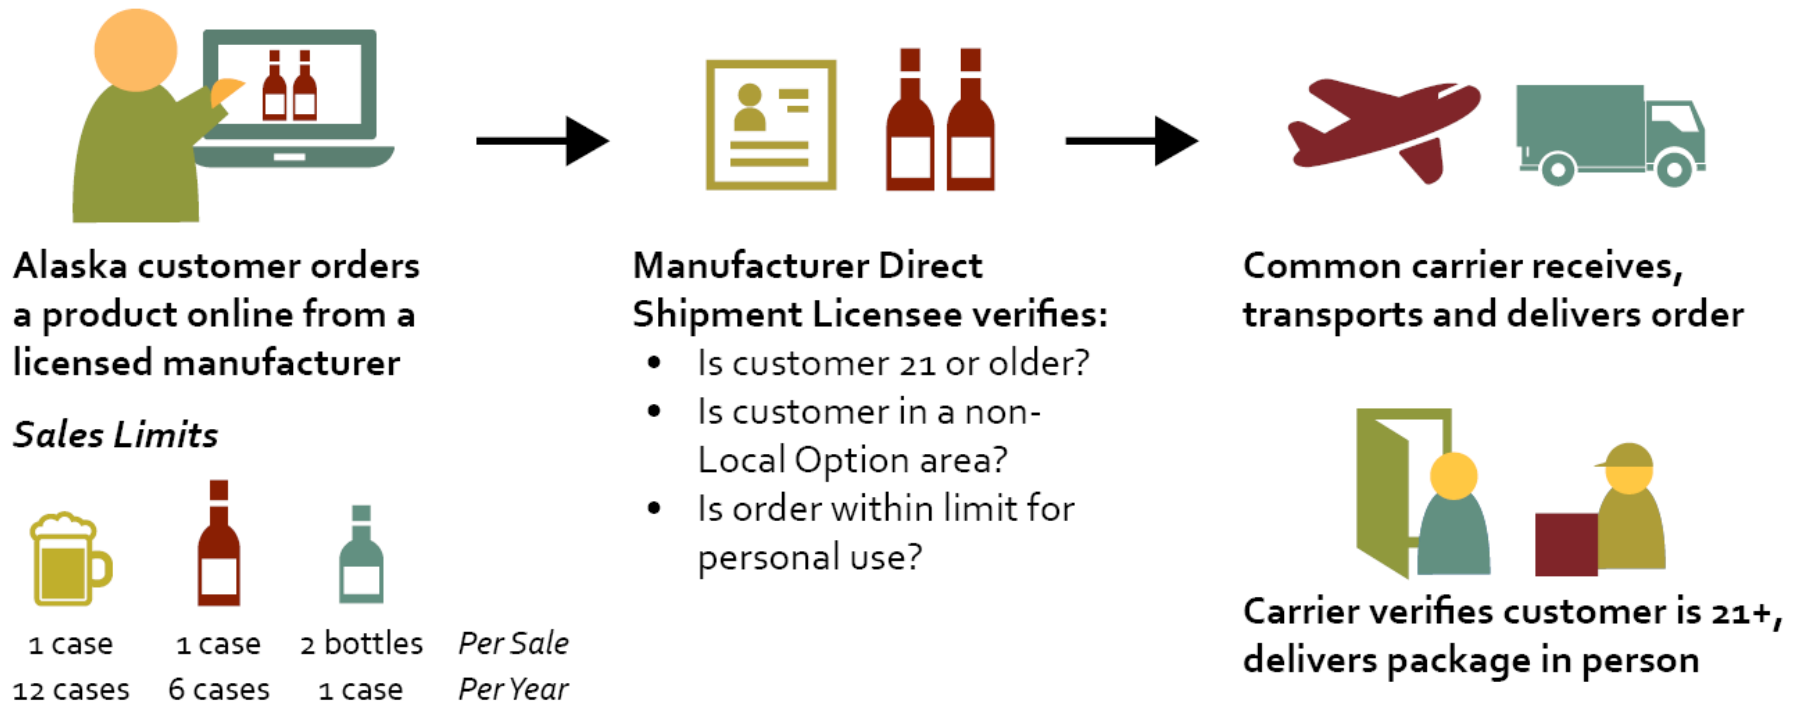

Internet Sales: No Rules + Loopholes

Alaska is one of the only states with no rules for Internet sales of alcohol.

- Alaska Package Stores cannot sell alcohol online, only via (paper) written orders.
- Alaska Wineries and Package Stores can ship wine to customers in some circumstances.
- Without state laws restricting online sales, there are currently no limits on purchases of alcohol online from out-of-state sellers.
- Alaska consumers also do not pay state excise tax on online purchases, as they do on products sold and purchased in state. They also may not be paying local sales taxes.

Proposed: Regulate Internet Alcohol Sales

- Alaska does not limit online sales of alcohol. Orders from out of state businesses are not subject to Alaska's alcohol excise tax, and the state cannot track how much alcohol is ordered each year.
- The bill would create a Manufacturer Direct Shipment License and allow online alcohol sales only from U.S. breweries, wineries, distilleries and Alaska package stores.

Section 13, 04.09.370; Section 90, 04.16.022; Section 159, 43.60.060

Proposed: Regulate Internet Alcohol Sales

- Common carriers must be approved by the ABC board to transport and deliver alcohol to consumers within the state.
- Carriers must demonstrate that they have policies and train employees to properly handle shipments of alcohol. Most major carriers that transport alcohol have these policies already.
- The U.S. Postal Service does not allow alcohol shipments; this will not impact mail carriers.

Carrier maintains policies:

- Safe alcohol handling
- Delivery to adult, age 21+
- Delivery in-person only

**ABC board reviews
and approves carrier
for alcohol transport
and delivery**

**ABC board
publishes list of
approved carriers**

Tracking Alcohol Orders in Local Option Areas:

Current Title 4

Residents in Local Option communities that allow importation of alcohol may order a limited amount of alcohol each month for personal and non-commercial use.

Monthly Importation Limit

12 gal. Beer
*Or 1 half-barrel
(15.5 gal) keg*

24 L wine
(32 bottles)

10.5 L spirits
(14 bottles)

**Alaska customer sends
order to package store**

Licensee verifies:

- Is customer 21 or older?
- Has customer met monthly order limit?
- Is new order within monthly limit?

**Licensee records
new order in ABC
Board database**

Access limited to:

- *ABC Board*
- *Package stores*
- *Law enforcement*

Carrier delivers package

**Common carrier receives,
transports and delivers order**

Proposed: Publish Community-Level Data from Local Option Order Database

- In current Title 4, *all* data in the Local Option order database is private, and deleted after 1 year.
- The bill would keep individual order information private, but retain aggregate data for 10 years and allow the ABC Board to publish annual total sales volume by region or community.
- This valuable information would be available to communities and law enforcement to understand the flow of alcohol into Local Option communities via legal sales.

Keep community
level data

**10
years**

Protect individual
order data

ABC Board publishes
annual data reports

Proposed: Revise Penalties for Lesser Offenses

- In current law, almost all violations of Title 4 are Class A misdemeanors.
- When penalties are set high across the board and perceived to be too strict for most offenses, law enforcement is less likely to issue citations and courts are less likely to pursue those cases.
- In the bill, many penalties would become minor offenses. Serious violations, such as selling alcohol without a license, allowing gambling on the premises, or perjury on a license application would remain misdemeanors or felonies, as they are today.

Minor Offense (Violation)

- Up to \$500 fine (most are \$250)
- Community work service
- Does not require court appearance

Example: Failure to post required warning signs, noncompliance with a permit requirement

Class A Misdemeanor

- Up to \$10,000 fine
- Up to 1 year in prison
- 10 years probation
- Requires court appearance

Example: Selling alcohol without a license, knowingly allowing underage sales by employees

Class C Felony

- Up to \$50,000 fine
- Up to 5 years in prison
- 10 years probation
- Requires court appearance

Example: Perjury on state license application (Class B), importing large amount of alcohol into local option area

Defined throughout; most prohibited acts defined in chapters 11 + 16

Proposed: Licensee Penalties for Overserving an Adult or Serving a Minor

(AS 04.16.030 and AS 04.16.052)

- In current Title 4, a licensee or employee who knowingly overserves an intoxicated adult or who serves alcohol to a minor is guilty of a Class A Misdemeanor.
- The bill would change the penalty for both statutes to a Minor Offense, with a \$500 fine.
- In addition to the penalty to the person who commits the violation, the owner of the license would receive an administrative (non-criminal) penalty of \$250. This alerts the owner that a violation occurred, holds them immediately accountable and encourages future compliance.

Section 92, 04.16.030; Section 104, 04.16.052; Sections 127 - 129, 04.16.180

Proposed: Require Keg Registration

- Reduces adults' incentive to legally purchase alcohol and supply an underage drinking party.
- Kegs tagged with the purchaser's contact information can be tracked if confiscated at an underage party or other situation where minors are given access to alcohol.
- A person, not a licensee, possessing an untagged keg containing alcohol could be fined.
- Modeled on existing Anchorage and Juneau ordinances.
