

Save the China Poot Dipnet Fishery!

Rep. Sarah Vance started this petition to Alaskans

The China Poot Dipnet Fishery in Kachemak Bay is stocked with eggs from the Tutka Bay Lagoon Hatchery that bring returns of great Red salmon, year after year that help provide food security to Alaskans! Due to various lawsuits, the hatchery has been declared an “incompatible use” with the Kachemak Bay State Park management plan as an “illegal disposal of land.”

Rep. Sarah Vance’s HB 52 will cure this legal land disposal issue; save Tutka Bay Lagoon Hatchery, save the China Poot Dipnet Fishery and expand the acreage of Kachemak Bay State Park!
