Subject: RE: Amendment to HB52 Schrage

Hi Jake,

I'll respond here since Melissa is still getting her State accounts set up. For DCCED, the amendment will simply create another report we have to put together. I expect we'd have a zero fiscal note.

Thanks,
Glenn

Please see attached a proposed fiscal note we just received for CSHB 52 (RES) from Rep. Schrage. Please let us know what effects this amendment will have in your departments having to carry it out, will this require new fiscal notes that may not be \$0?

Any and all information you can provide ahead of tomorrow's 1pm House Resources committee meeting where the amendment will be considered would be greatly appreciated, thank you!
