FISCAL NOTE ANALYSIS

STATE OF ALASKA
2022 LEGISLATIVE SESSION

BILL NO. HB 352

Analysis

The bill would add uncodified language for the Department of Transportation and Public Facilities to establish a plan for tribes, native organizations and communities along the Glenn Highway to provide input for renaming the Glenn Highway.

Seeking public input is a core task common to DOT&PF's mission. This administrative task could be accomplished with existing resources and technology and therefore has no significant fiscal impact in its current form.
