### **SR 3 NGO Support for State Veterans - Senator Mike Shower**

SR 3 was introduced to encourage nonprofits that serve military veterans to keep a greater portion of the money raised for veterans, in Alaska.

Alaska is home to the highest per capita of veterans of any state in the union.

Local Alaskan's are very generous with their support of our veteran population.

This makes Alaska a very lucrative place to raise money by nonprofits that serve veterans. This resolution was written to encourage nonprofits to honor the commitment Alaskans make to their veterans by supporting programs for veterans and encourage nonprofits to keep the greatest amount of money possible that is raised in Alaska for Alaskan veterans.
