Dear Co-Chairs Foster and Merrick,

Thank you for inviting the Office of Management and Budget to provide a Coronavirus (COVID) Federal relief update to the House Finance Committee on February 3<sup>rd</sup>. Responses to questions and requests for follow-up information from the committee hearing are included below.

**Representative Johnson requested a list of the nonprofits that received funding from round one of the State's ARPA Non-Profit Relief Program being administered by the Alaska Community Foundation.**

Provided as Attachment 1 is a listing on the nonprofits that have received funding from the first round of awards under the State's ARPA Non-Profit Relief Program.

**Representative Ortiz requested the amount each borough is receiving in Coronavirus State and Local Fiscal Recovery Funds (CSLFRF).**

Provided as Attachment 2 is a file with Alaska CSLFRF amounts for each recipient.

**Representative Johnson requested the total amount of CSLFRF received by Alaska Tribes.**

Every Alaska Tribe was allocated \$1.7 million of CSLFRF from an across-the-board allocation of \$1 billion. The American Rescue Plan Act provided another \$19 billion in CSLFRF to be distributed to Tribes based on a formula developed by Treasury. Based on feedback received from Alaska Federation of Natives (AFN), Treasury set a \$1 million minimum on their formula allocations. Between the two CSLFRF distributions Alaskan Tribes were eligible to receive a total of \$616.3 million.

Don't hesitate to reach out to my office if you have further questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Neil Steininger".
