Subject: Protecting Kachemak Bay

I came to Homer in the 1980s because of its pristine waters and wild places. Kachemak Bay State Park is protected by the designation of a Critical Habitat Area. We need to continue to honor this designation as our planet has fewer and fewer protected wild places.

House Bill 82 and Senate Bill 62 will erode these thoughtful protections.

We can't go backward! PLEASE maintain the protection put in place. The Kenai Peninsula benefits far more by attracting sustainable eco-tourism.
