

SUPPLEMENTAL OPERATING AMENDMENTS

Sup OP #1

2022 SESSION OPERATING BUDGET AMENDMENT PROPOSAL

OFFERED IN: The House Finance Committee

TO: HB 281

OFFERED BY: Rasmussen

FISCAL YEAR: FY22 Supplemental

DEPARTMENT: DEC

APPROPRIATION: Water

ALLOCATION: Water Quality, Infrastructure Support & Financing

ADD: \$750,000 UGF (1004)

EXPLANATION: The Alaska Department of Environmental Conservation (DEC) will assume primacy of Section 404 of the Clean Water Act (CWA), enacted in 1972, which is the primary federal law governing pollution control and water quality of the Nation's waterways. The Act's objective is to restore and maintain the chemical, physical, and biological integrity of the Nation's waters. DEC assumption of the Section 404 program would provide a streamlined permitting procedure, greater certainty to the regulated community, conservation of resources of both the applicant and regulator, and greater control over the development of its natural resources while complying with federal law.

Sup Op # 2
