Honorable Mike Dunleavy  
Governor of Alaska  
Office of the Governor  
P.O. Box 110001  
Juneau, AK 99811-0001

Governor Dunleavy,

With the recent announcement of the Anchorage Police Department Chief Justin Doll's intent to retire, I'd like to submit my interest in filling his role on the Alaska Police Standards Council (APSC) which expired on March 1, 2021. I have been in law enforcement for over 20 years, with the last 15 in Alaska. I have served with the Department of Public Safety (DPS) as both an investigator with and later supervised the Office of Professional Standards, and in various leadership positions with the North Slope Borough Police Department where I have served the last three years as the Chief of Police.

In your recent State of the State address you once again made it clear that the safety of all Alaskans is your top priority, and that is the goal that I have worked tirelessly towards over the last several years with the many professionals that work for the North Slope Borough Police Department and it has been an honor to lead these brave men and women as Chief of Police.

Professionalism within law enforcement is an essential value to ensure the public's trust remains in Alaska's law enforcement agencies. The APSC is paramount to professionalism within the profession by holding all prospective and certified persons and agencies to a high standard. It would be an honor to serve you and all Alaskans as a council member with the APSC. Thank you for your time and consideration.

Respectfully,
