Good evening,

I wanted to provide some follow up information from the SB 195 hearing today in S STA.

I spoke with OMB and confirmed there are no University of Alaska employees who would be affected by the bill. I apologize for causing confusion on that point in committee today.

In Sec. 1 of the bill, there is the salary schedule as it would go into effect for FY 23. I attached a chart showing the salary schedule which would go into effect for FY 24.
