

## SENATOR JESSE KIEHL

### SB 121

### PFAS in Drinking Water

#### Explanation of Changes: ver. G to ver. W

##### Section 1:

**46.03.340:** Removes blood testing requirements.

**46.03.345(a):** Technical fix to clarify the liability provisions apply to providing clean drinking water.

**46.03.345(b):** Adds a new provision saying a government entity that required the release of PFAS-containing foam is liable for drinking water testing and providing clean drinking water in the areas of the release.

**Section 5:** Updates the effective date.
