

ALASKA STATE LEGISLATURE

SENATOR ELVI GRAY-JACKSON
SENATE DISTRICT I

Sectional Analysis for SB 157 version A

Section 1. This section amends AS 14.03.120, the statute regarding public school reports on school performance and planning by adding a new subsection. This new subsection requires a summary and evaluation of health and personal safety.

Section 2. This section amends AS 14.30.360 - 14.30.370 by adding personal safety program standards.

Section 3. This section amends AS 14.30.360, by adding conforming language as seen in section 2. This section is also amended to mandate a health and personal safety education curriculum. Additionally, this section adds a new subsection. This new subsection requires medically and scientifically accurate information for curriculum and defines “consent”.

Section 4. Adds a new subsection that sets requirements for the health and personal safety education program curriculum.

Section 5. Repeals AS 14.30.361.

Section 6. This section sets an effective date of June 30, 2023.
