A BILL

FOR AN ACT ENTITLED

1 **"An Act relating to the practice of dentistry; relating to dental radiological equipment;**
2 **and providing for an effective date."**

3 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 *** Section 1.** AS 08.01.065(c) is amended to read:

5 (c) Except as provided in **(f) - (k)** [(f) - (j)] of this section, the department shall
6 establish fee levels under (a) of this section so that the total amount of fees collected
7 for an occupation approximately equals the actual regulatory costs for the occupation.
8 The department shall annually review each fee level to determine whether the
9 regulatory costs of each occupation are approximately equal to fee collections related
10 to that occupation. If the review indicates that an occupation's fee collections and
11 regulatory costs are not approximately equal, the department shall calculate fee
12 adjustments and adopt regulations under (a) of this section to implement the
13 adjustments. In January of each year, the department shall report on all fee levels and
14 revisions for the previous year under this subsection to the office of management and

budget. If a board regulates an occupation covered by this chapter, the department shall consider the board's recommendations concerning the occupation's fee levels and regulatory costs before revising fee schedules to comply with this subsection. In this subsection, "regulatory costs" means costs of the department that are attributable to regulation of an occupation plus

(1) all expenses of the board that regulates the occupation if the board regulates only one occupation;

(2) the expenses of a board that are attributable to the occupation if the board regulates more than one occupation.

* **Sec. 2.** AS 08.01.065 is amended by adding a new subsection to read:

(k) Notwithstanding (c) of this section, the department shall establish fee levels under (a) of this section so that the total amount of fees collected by the Board of Dental Examiners approximately equals the total regulatory costs of the department, the board, and the Department of Health and Social Services for all occupations regulated by the board. For purposes of this subsection, the regulatory costs of the Department of Health and Social Services for the occupations regulated by the board include the cost of inspecting dental radiological equipment under AS 44.29.020(d).

* **Sec. 3.** AS 08.36 is amended by adding new sections to read:

Sec. 08.36.242. License to practice as specialist required. A licensed dentist may not represent to the public to be qualified in a specialized branch of dentistry through any means of public advertising using the term "specialist," the name of a specialty, or a phrase that would suggest to the public that the dentist is a qualified specialist in a branch of dentistry unless the dentist has a specialist license in that branch as provided in this chapter.

Sec. 08.36.243. Qualification for specialist license; scope of practice. (a) An applicant for a specialist license must

(1) hold a license issued by the board in accordance with AS 08.36.110 or 08.36.234; and

(2) meet additional qualifications for a specialist license in a specified branch of dentistry as established by the board by regulation.

(b) In determining the qualifications for a specialist license in a specified

branch of dentistry under (a) of this section, the board shall consider the qualifications necessary to obtain specialty certification by a nationally recognized certifying entity approved by the board.

(c) The practice of a dentist who obtains a specialist license under (a) of this section is limited to the branch of dentistry in which the dentist holds a specialist license.

Sec. 08.36.245. Suspension or revocation of specialist license. The board may suspend or revoke a specialist license on grounds and according to the procedures set out in AS 08.36.315.
