SENATE BILL 71

Alaska State Council on the Arts

SUMMARY OF CHANGES

(from version W to O)

Language added [STRUCK]

Change #1

Section 1, page 2, lines 6-7, was rephrased to read “;the additional fee shall be collected only on the first issuance [AND THE REPLACEMENT] of the special request plates;”

Rationale: To clarify the fee is paid only once at the initial issuance of the specialty license plate, and not subsequently or repeatedly in instances of replacing a lost, damaged, or stolen plate.

Change #2

The effective date in Section 9, page 4, line 12, was changed from [2021] to 2022 to make the bill current.
