House Bill 349 – Hearing Establish Drilling Units/Spacing

Sectional Analysis

Section 1: AS 31.05.100(a)

This section amends section 1-part a, starting on page 1 line 6 and 7. This would remove the hearing requirement before the commission can establish the drilling unit or units for each pool.

Section 2: AS 31.05.100(b)

This section amends section 2-part b, starting with page 1 lines 14 and 15. This removes the notice and hearing requirement exceptions to the rules and spacing pattern. Meaning that the need for proof of public notice of a hearing would no longer be needed. The remaining changes on page 2 lines 3,4,5, and 8 is legal language that was needed to update the bill to reflect the changes made above.
