COMMUNITY SUPPORT

- Hundreds of signatures in support of HB 357.
- Change.org petition collected 213 signatures as of 3/14, as well as hand signatures collected across Anchorage.
- Letter of support from KACA (Korean American Community of Anchorage)

The screenshot shows a mobile view of a Change.org petition page. At the top, the title is "Naming Mountain View Bridge 'Insook Baik' 백인". Below the title, there is a progress bar indicating that 213 people have signed, with a goal of 500. A red button labeled "Take the next step!" is visible. The main content of the page is a letter dated March 4, 2022, addressed to Representative Geran Tarr. The letter expresses gratitude for introducing HB 357 to name a bridge in Mountain View after Insook Baik, a long-time business owner who has contributed to the community through thick and thin, especially during the COVID-19 pandemic. The letter also mentions the Korean American Community of Anchorage (KACA) and its support for HB 357. At the bottom, a user profile for SALLEY KIM is shown, indicating they started the petition to David Song.

QUOTES

- Baik said she wants to give back, and she wants to feed people. She said she cares about the neighborhood.
- "She's fallen in love with the community here. It's one of the few places where people will give their last dollar to each other," said Baik's son, Peter... "I think that pulls at her heartstrings."
- "One man a couple years ago, he said, 'I was hungry, I moved here with no job, no car, no apartment, but you gave me food,' " she said. The man returned several years later and told her he was employed and had a place to live, according to Baik. He gave her money to help pay for more supplies for the next year.

THANK YOU

- This is a great opportunity to recognize an Alaskan for her years of generosity to her community!
- Insook Baik's story is a great example of the American Dream, and her kindness embodies the best of Anchorage.
- Please support HB 357!
