## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2022 LEGISLATIVE SESSION

BILL NO. HB 120

### Analysis

This proposed bill revises AS 38.04.022 to increase the Land Disposal Income Fund (LDIF)'s current \$5,000.0 million balance limit to \$12,000.0 million. Revenue from land sales enabled by this bill would begin in FY2023, and any receipts exceeding the new LDIF limit will be deposited into the General Fund (GF). As the department cannot predict whether, or by what amount, the proposed higher LDIF cap will be exceeded, the additional GF revenue beginning in FY2023 is indeterminate.

This proposed bill also increases the maximum term of a contract for sale to 30 years from 20 years and creates a new statute providing for the disposal of state lands deemed suitable for commercial development through a lease to sale program.

To implement the bill, the Department of Natural Resources (DNR) will need to evaluate land nominations, identify land offering areas, prepare documents relating to planning and classification/reclassification of lands to be offered, prepare best interest findings under AS 38.05.035(e) and provide appraisal of the land under AS 38.05.840. This will require a minimum of one new Natural Resource Specialist (NRS) III, two new NRS IIs (one in the Land Conveyance Section and one in the Resource Assessment and Development Section), and one Appraiser I as well as implementation costs. DNR anticipates the funding source will be from the LDIF and not the General Fund.

#### Personal Services – \$398.4 annually (LDIF)

One NRS III (range 18) at \$108.3/year

Two NRS II (range 16) at \$96.7/year for a total of \$193.4

One Appraiser I (range 16) at \$96.7/year

#### Travel – \$15.0 annually (LDIF)

Travel is estimated at \$15.0 annually for field verification of parcel locations/conditions.

#### Contractual – \$28.0 annually (LDIF)

Contractual costs include: \$7.0 annually for office space, telephones, core service charges and related expenses for the new positions (4 positions x \$7.0 = \$28 total).

#### Commodities – \$21.5 in FY22, \$1.5 annually in FY23 and beyond (LDIF)

\$5.0 for each position for initial office set up in FY22 (4 positions x \$5 = \$20 total)

Supplies are budgeted at \$1.5 per year total.
