The Honorable Liz Snyder and The Honorable Tiffany Zulkosky Co-Chairs, Alaska House Health and Social Services Committee Alaska State Capitol, Rooms 421 & 416 Juneau, Alaska 99801

Dear Co-Chairs Snyder and Zulkosky:

At the House Health and Social Services Committee meeting on SB 132 this Tuesday, May 3, the committee asked for the following information:

- Depictions of the user interface of the PDMP, called "AWARxE,"
- Documents the division has produced to assist in implementing the PDMP for veterinary users, and
- An overview of PDMP implementation for veterinary users across the nation.

Please find this information attached.

Additionally, we were requested in a previous hearing to forward information from the DEA regarding changes in their enforcement practices since the PDMP has become mandatory. We have reached out to our PDMP DEA contact and have not yet received a response.

If you would like any additional information, please let me know.

Sincerely,

la Chamber

Sara Chambers Division Director
