Senator,

There is no way that HB 172 and SB 124 should be allowed to go any further in their present form. These bills represent the structure of socialist/communist ruling structure intent on attacking political enemies and cannot be allowed in a representative rule-of-law government. No not pass these bills. I am a military veteran of 21 years (1964 – 1985), son of a WW II veteran and grandson of an immigrant who fled Germany.

Thank you.
