

**CS FOR HOUSE JOINT RESOLUTION NO. 24(RES)**

**IN THE LEGISLATURE OF THE STATE OF ALASKA**

**TWENTIETH LEGISLATURE - FIRST SESSION**

**BY THE HOUSE RESOURCES COMMITTEE**

**Offered: 3/7/97**

**Referred: Rules**

**Sponsor(s): REPRESENTATIVES WILLIAMS, Ogan, Ryan**

**A RESOLUTION**

**1 Relating to challenging the environmental and economic integrity of Alaska timber**  
**2 as Christmas decor for the United States Capitol.**

**3 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

**4 WHEREAS** the Tongass National Forest has been chosen by the Clinton  
**5 Administration to provide Christmas trees to decorate the nation's Capitol and congressional**  
**6 offices; and**

**7 WHEREAS** the grace and beauty of Alaska's native tree species are well suited for  
**8 such a distinct purpose; and**

**9 WHEREAS** Alaskans are a generous people, and their State's resources a tremendous  
**10 asset that if carefully managed by the people most closely affected can be the backbone of a**  
**11 strong economy; and**

**12 WHEREAS** trees harvested for the economic benefit of the people of the Tongass are  
**13 subject to full public comment and environmental review; and**

**14 WHEREAS,** under normal conditions, the Alaska Legislature would regard the  
**15 opportunity to provide federal offices with Christmas trees from our national forest as the**  
**16 highest compliment and honor; and**

1       **WHEREAS** conditions are not normal, as one of Alaska's two pulp mills and the  
2 state's largest sawmill have shut down while Alaska's remaining pulp mill has announced it  
3 will close in March at a cost of thousands of jobs; and

4       **WHEREAS**, even with the recent signing of a three-year contract to supply wood to  
5 Southeast Alaska's two largest sawmills, consistent supply remains a concern for their  
6 continued existence; and

7       **WHEREAS** over 60 percent of Southeast Alaska's timber-related jobs have been  
8 eliminated since 1990; and

9       **WHEREAS** the Clinton Administration has ignored the efforts of the Alaska  
10 congressional delegation and the Alaska State Legislature to secure the livelihoods of the  
11 workers, their families, and the timber dependent communities of Southeast Alaska; and

12       **WHEREAS** the Alaska State Legislature deems it inappropriate to harvest trees for  
13 decorative purposes, and ask Southeast Alaskans to incur the cost, while Southeast Alaska  
14 timber jobs are being extinguished, depressing the area's economy; and

15       **WHEREAS** what should be an honor is instead an affront as it carries the message  
16 that careful harvesting of our trees is acceptable to decorate the nation's Capitol and the halls  
17 of Congress, yet not acceptable to provide jobs for the people of Southeast Alaska;

18       **BE IT RESOLVED** that the Alaska State Legislature recognizes harvesting of  
19 Alaska's trees to provide pleasure for those far removed is symbolic of a failed national policy  
20 which has cost Southeast Alaska communities thousands of year-round, family supporting jobs  
21 and caused untold personal suffering; and be it

22       **FURTHER RESOLVED** that the Alaska Legislature opposes the harvesting of  
23 Christmas trees for the nation's Capitol and other federal and congressional offices from the  
24 Tongass National Forest and urges that it not be done without full public comment and a  
25 comprehensive Environmental Impact Statement; and be it

26       **FURTHER RESOLVED** that the Alaska State Legislature requests the Clinton  
27 Administration to find another source for the 1998 White House Christmas tree festivities in  
28 light of the social and economic hardship forced upon the unemployed timber workers, their  
29 families, and the timber dependent-communities of the Tongass.

30       **COPIES** of this resolution shall be sent to the Honorable Bill Clinton, President of the  
31 United States; the Honorable Al Gore, Jr., Vice-President of the United States and President

1 of the U.S. Senate; the Honorable Strom Thurmond, President Pro Tempore of the U.S.
