BY THE SENATE FINANCE COMMITTEE

Offered: 3/12/98

Referred: Rules

Sponsor(s): SENATORS HALFORD, Green, Leman, Sharp, Torgerson, Wilken, Pearce, Ward, Taylor

A BILL

FOR AN ACT ENTITLED

1 "An Act relating to state rights-of-way."

2 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

3 * **Section 1.** FINDINGS AND INTENT. The legislature finds that former 43 U.S.C. 932
4 (RS 2477) granted numerous rights-of-way, portions of which cross land held in private
5 ownership. Among those lands affected by RS 2477 routes are sites important to the culture
6 and heritage of Alaska Natives. Respect for and preservation of these culturally significant
7 sites should be afforded careful consideration in determining location and management of
8 RS 2477 rights-of-way. While providing for the public right to access RS 2477 rights-of-way,
9 every effort should be made to minimize the effect on the affected private property owners.
10 Where practicable, that effort should include working with the property owner to re-route a
11 right-of-way to the area least adversely affected, providing that reasonably comparable access
12 is preserved.

13 * **Sec. 2.** AS 19.30 is amended by adding new sections to read:

14 **Article 5. Rights-of-way Acquired under Former 43 U.S.C. 932.**

15 **Sec. 19.30.400. Identification and acceptance of rights-of-way.** (a) The

state claims, occupies, and possesses each right-of-way granted under former 43 U.S.C. 932 that was accepted either by the state or the territory of Alaska or by public users. A right-of-way acquired under former 43 U.S.C. 932 is available for use by the public under regulations adopted by the Department of Natural Resources unless the right-of-way has been transferred by the Department of Natural Resources to the Department of Transportation and Public Facilities in which case the right-of-way is available for use by the public under regulations adopted by the Department of Transportation and Public Facilities.

(b) The Department of Natural Resources shall conduct the necessary research to identify rights-of-way that have been accepted by public users under former 43 U.S.C. 932 and that have not been previously identified and shall annually report to the legislature by the first day of each regular session of the legislature on rights-of-way that have been identified and that are not listed in this section.

(c) The rights-of-way listed in (d) of this section have been accepted by public users and have been identified to provide effective notice to the public of these rights-of-way. The failure to include or identify a right-of-way under (d) of this section does not relinquish any right, title, or interest the public has in a right-of-way.

(d) The following rights-of-way are identified by the name of the right-of-way and the identification number the right-of-way has been assigned by the Department of Natural Resources in the Historic Trails Database, known as the "RST" number, which contains a complete description of the right-of-way:
