3 * **Section 1.** AS 19.15 is amended by adding a new section to read:

4 **Sec. 19.15.025. Federal-aid highway projects.** (a) Before October 1, 2006,
5 the department may annually allocate up to four percent of nonrestricted federal-aid
6 highway apportionments to projects classified under the trails and recreational access
7 for Alaska program under a statewide transportation improvement program. On or
8 after October 1, 2006, the department may allocate up to two percent of nonrestricted
9 federal-aid highway apportionments to projects classified under the trails and
10 recreational access for Alaska program under a statewide transportation improvement
11 program.

12 (b) Before October 1, 2006, the department shall annually allocate at least 37
13 percent of nonrestricted federal-aid highway apportionments to projects classified

1 under the community transportation program under a statewide transportation
2 improvement program. On or after October 1, 2006, the department shall annually
3 allocate at least 39 percent of nonrestricted federal-aid highway apportionments to
4 projects classified under the community transportation program under a statewide
5 transportation improvement program.

6 (c) Not more than 10 percent of the funds provided to a municipality for
7 participation in federal-aid highway or other eligible projects may be expended from
8 the transportation enhancement apportionment over the life of a transportation
9 improvement program.

10 * **Sec. 2.** This Act takes effect October 1, 2004.
