BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

AN ACT

1 Relating to licensing common carriers to dispense alcoholic beverages.

2 _____
3 * **Section 1.** AS 04.11.180 is repealed and reenacted to read:

4 **Sec. 04.11.180. Common carrier dispensary license.** (a) A common carrier
5 dispensary license authorizes the holder to sell alcoholic beverages for consumption
6 aboard a vehicle, boat, or train licensed by a state or federal agency for passenger
7 travel, or aboard aircraft operated by an airline licensed by a state or federal agency
8 for passenger travel.

9 (b) Except for a common carrier that is an airline, a common carrier shall
10 obtain a license for each vehicle, boat, or train in which alcoholic beverages are
11 served. After obtaining an initial license for the first vehicle, boat, or train, the
12 common carrier may obtain additional licenses for additional vehicles, boats, or trains
13 upon making a written request identifying the vehicle, boat, or train in the manner
14 prescribed by the board, and paying the biennial fee for additional licensed premises
15 as required by (c) of this section.

1 (c) Except as provided for airlines under (d) of this section, the biennial fee for
2 a common carrier dispensary license is \$1,000 for each of the first 10 licenses a
3 common carrier holds and \$100 for each additional license issued to the common
4 carrier after the first 10 licenses.

5 (d) The biennial fee for a common carrier dispensary license issued to an
6 airline is the fee specified under (c) of this section for each aircraft in which alcoholic
7 beverages are served or \$2,000 for each community served by the airline. An airline
8 shall specify the fee applicable to the license at the time of the airline's application for
9 issuance or renewal of the license.

10 (e) Upon request of the common carrier and payment of the proportionate
11 prorated applicable fee, the board shall change the license period of a license for a
12 vehicle, boat, or train to allow registration to occur in the biennial period of the
13 balance of the licensee's common carrier licenses.

14 * **Sec. 2.** The uncodified law of the State of Alaska is amended by adding a new section to
15 read:

16 **APPLICABILITY.** This Act applies to issuance of a new common carrier dispensary
17 license or renewal of a common carrier dispensary license that occurs on or after the effective
18 date of this Act.
