**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

THE ACT FOLLOWS ON PAGE 1

## AN ACT

1 Relating to absentee ballots.

2  
3 \* **Section 1.** AS 15.20.081(a) is amended to read:

4 (a) A qualified voter may apply **in person**, by mail, or by facsimile, scanning,  
5 or other electronic transmission to the director for an absentee ballot **under this**  
6 **section**. Another individual may apply for an absentee ballot on behalf of a qualified  
7 voter if that individual is designated to act on behalf of the voter in a written general  
8 power of attorney or a written special power of attorney that authorizes the other  
9 individual to apply for an absentee ballot on behalf of the voter. The application must  
10 include the address or, if the application requests delivery of an absentee ballot by  
11 electronic transmission, the telephone electronic transmission number, to which the  
12 absentee ballot is to be returned, the applicant's full Alaska residence address, and the  
13 applicant's signature. However, a person residing outside the United States and  
14 applying to vote absentee in federal elections in accordance with AS 15.05.011 need  
15 not include an Alaska residence address in the application. A person may supply to a

1 voter an absentee ballot application form with a political party or group affiliation  
2 indicated only if the voter is already registered as affiliated with the political party or  
3 group indicated. Only the voter or the individual designated by the voter in a written  
4 power of attorney under this subsection may mark the voter's choice of primary ballot  
5 on an application. A person supplying an absentee ballot application form may not  
6 design or mark the application in a manner that suggests choice of one ballot over  
7 another, except that ballot choices may be listed on an application as authorized by the  
8 division. **The application must be made on a form prescribed or approved by the**  
9 **director. The voter or registration official shall submit the application directly to**  
10 **the division of elections. For purposes of this subsection, "directly to the division**  
11 **of elections" means that an application may not be submitted to any**  
12 **intermediary that could control or delay the submission of the application to the**  
13 **division or gather data on the applicant from the application form. However,**  
14 **nothing in this subsection is intended to prohibit a voter from giving a completed**  
15 **absentee ballot application to a friend, relative, or associate for transfer to the**  
16 **United States Postal Service or a private commercial delivery service for delivery**  
17 **to the division.**

18 \* **Sec. 2.** AS 15.20.081(b) is amended to read:

19 (b) An application requesting delivery of an absentee ballot to the applicant by  
20 mail must be received by the division of elections not less than **10** [SEVEN] days  
21 before the election for which the absentee ballot is sought. An application for an  
22 absentee ballot for a state election from a qualified voter requesting delivery of an  
23 absentee ballot to the applicant by electronic transmission must be received by the  
24 division of elections not later than 5:00 p.m. Alaska time on the day before the  
25 election for which the absentee ballot is sought. An absentee ballot application  
26 submitted by mail under this section must permit the person to register to vote under  
27 AS 15.07.070 and to request an absentee ballot for each state election held within that  
28 calendar year for which the voter is eligible to vote. An absentee ballot application  
29 submitted by electronic transmission under this section may not include a provision  
30 that permits a person to register to vote under AS 15.07.070.

31 \* **Sec. 3.** AS 15.20.081 is amended by adding a new subsection to read:

1 (j) The director shall adopt regulations under AS 44.62 (Administrative  
2 Procedure Act) specifying the information required to be included on an absentee  
3 ballot application form. The regulations must require that an absentee ballot  
4 application form

5 (1) contain only that information required under regulations adopted  
6 by the director;

7 (2) conceal the personal information of the individual requesting  
8 delivery of an absentee ballot while the application is in the custody of the United  
9 States Postal Service or other person delivering the application to the division;

10 (3) specify that the form is to be returned by the voter directly to the  
11 division, and not to another person providing the form; and

12 (4) if not prepared by the division, be approved by the director before  
13 distribution to the public.

14 \* **Sec. 4.** AS 15.56.030(a) is amended to read:

16 first degree if the person

10 person has been previously convicted of unlawful interference with voting in the
