9 * **Section 1.** AS 21.09.200 is amended by adding new subsections to read:

10 (g) An insurer shall file with the director or the director's designee an annual
11 audited financial report for the previous year by June 1 of each year unless, under a
12 regulation adopted by the director, the director grants an exemption based on a finding

1 that filing an annual audited financial report would constitute a financial or
2 organizational hardship on the insurer. The filing date for the annual audited financial
3 report may be extended by the director upon showing that the standards established by
4 regulation have been met. If the director gives the insurer 90 days' advance notice, and
5 for good cause, the director may require an insurer to file an audited financial report
6 earlier than June 1 of each year. The annual audited financial report must be prepared
7 by a qualified independent certified public accountant. An insurer shall notify the
8 director of the certified public accountant engaged to conduct the audit and issue the
9 annual audited financial report.

10 (h) Within 60 days after filing the annual audited financial report under (g) of
11 this section, the insurer shall file a written report on any unremediated material
12 weakness in internal control over financial reporting noted during the audit.

13 (i) The director may adopt regulations that require the insurer to file a report
14 from management describing internal control over financial reporting. An insurer shall
15 file the report on internal control by the date specified by the director.

16 (j) If the director requires the submission of additional information, the insurer
17 shall supplement the reports required by (h) and (i) of this section by the date specified
18 by the director. The reports on internal control filed with the director under (h) and (i)
19 of this section are confidential and subject to the provisions of AS 21.06.060.

20 (k) In accordance with regulations adopted by the director, an insurer shall
21 designate an audit committee to engage a qualified independent certified public
22 accountant to conduct the annual audit. The audit committee shall oversee services
23 performed by the certified public accountant. If an insurer does not designate an audit
24 committee, the entire governing board of the insurer is considered to be the audit
25 committee for purposes of this subsection.

26 (l) The certified public accountant conducting the annual audit required by (g)
27 of this section shall notify the governing board of the insurer or the audit committee in
28 writing of a determination by the certified public accountant that the insurer has
29 materially misstated its financial condition as reported to the director or that the
30 insurer does not meet the minimum capital requirements and surplus requirements of
31 this title as of the date of the balance sheet currently under audit. An insurer that has

1 received a report under this subsection shall forward a copy to the director. The
2 certified public accountant shall also forward the report to the director unless the
3 insurer provides evidence satisfactory to the certified public accountant that the report
4 has been forwarded to the director.

5 * **Sec. 2.** AS 21.09.270(f) is amended to read:

6 (f) For purposes of the application of (a) of this section, a health care insurer,

15 securities, or investments of the insurer may be only a bank, trust company, securities
16 firm, or clearing corporation that is properly authorized by the insurer and approved
17 by the director.

18 (b) When securities are deposited with a clearing corporation, certificates
19 representing securities of the same class of the same issuer may be merged and held in
20 bulk in the name of the nominee of the clearing corporation with any other securities
21 deposited with the clearing corporation by any person, regardless of the ownership of
22 the securities, and certificates representing securities of small denominations may be
23 merged into one or more certificates of larger denominations. The records of any
24 custodian through which an insurer holds securities in a clearing corporation must
25 show that the securities are held for the insurer and for which accounts of the insurer.
26 Ownership of, and other interest in, the securities may be transferred by bookkeeping
27 entry on the books of the clearing corporation without physical delivery of certificates
28 representing the securities.

29 (c) A custodial agreement between an insurer and an institution holding the
30 assets, securities, or investments of the insurer must be in writing and must be

15 that must be filed with the director by admitted insurers. The report must include all
16 surplus lines insurance transactions during the preceding calendar month showing the
17 aggregate gross premiums written, the aggregate return premiums, the amount of
