1 * **Sec. 10.** LEGISLATIVE INTENT. (a) It is the intent of the legislature regarding P.L. 111-
2 5 (American Recovery and Reinvestment Act of 2009) that

3 (1) federal stimulus money not be expended for any purpose that creates an
4 obligation for the state to replace those funds after they have been exhausted and that stimulus
5 funds be used primarily to supplement or improve existing programs rather than create new
6 services or programs;

7 (2) all state agencies notify recipients of grants funded by federal stimulus
8 money of the limited and temporary nature of the grant funds, and that the state will not be
9 granting additional funds to continue the programs after the federal aid is exhausted;

10 (3) state agencies awarding grants funded in whole or in part by federal
11 stimulus money disclose in writing to all grant recipients that the program funding source will
12 expire;

13 (4) notwithstanding any other provision of this Act, federal stimulus money
14 may be expended to recruit, train, equip, and compensate new peace officers;

15 (5) the executive branch not use any federal stimulus money to enter into lease
16 obligations, equipment contracts, or professional services contracts that extend beyond the
17 end date of federal stimulus funding without a financial plan in place to use existing funds to
18 complete the obligation or contract;

19 (6) the executive branch refuse any federal stimulus money that would violate
20 the strong constitutional right to privacy enjoyed by Alaskans;

21 (7) the Department of Transportation and Public Facilities diligently pursue
22 any federal stimulus grant money that could be used for construction of new vessels for the
23 Alaska marine highway system fleet;

24 (8) the Department of Labor and Workforce Development, to the extent
25 practical, use federal stimulus money to extend or expand job training programs with existing,
26 proven contractors rather than start new programs with new contractors;

27 (9) each school district receiving federal stimulus money through the
28 Department of Education and Early Development be required to acknowledge, in a letter
29 signed by the school superintendent and school board president or their designees, that the
30 funding is a one-time addition and that the legislature makes no representation that it will
31 replace the federal stimulus money when it expires;

1 (10) the executive branch, to the fullest extent possible, minimize its
2 expenditure of federal stimulus money on administrative costs;

3 (11) the executive branch, to the fullest extent allowed by law, strive to ensure
4 that projects and programs funded with federal stimulus money hire Alaska workers and use
5 Alaska contractors and vendors and minimize the use of out-of-state consultants;

6 (12) federal stimulus money for energy or energy-related programs be used to
7 help reduce energy costs of Alaskans whenever possible and practical;

8 (13) federal stimulus money for education programs be spent for best-
9 practices improvements, training, equipment, services, and facility modernization, renovation,
10 and repair that do not expand programs or create continuing obligations for state funding
11 when federal stimulus money is exhausted;

12 (14) school districts focus on short-term investment with long-term gains for
13 student and teacher performance and pay particular attention to the advisory statement issued
14 by the United States Department of Education that "These funds should be invested in ways
15 that do not result in unsustainable continuing commitments after the funding expires."

16 (b) It is the intent of the legislature that the two positions funded in sec. 11 of this Act
