THE ACT FOLLOWS ON PAGE 1

AN ACT

1 Adopting and relating to the Uniform Prudent Management of Institutional Funds Act;
2 relating to the investment of money for charitable purposes by institutions, including
3 governmental institutions; and relating to the University of Alaska.

4
5 * **Section 1.** AS 13 is amended by adding a new chapter to read:

6 **Chapter 70. Uniform Prudent Management of Institutional Funds.**

7 **Sec. 13.70.010. Standard of conduct in managing and investing**
8 **institutional funds.** (a) Subject to the intent of a donor expressed in a gift instrument,
9 an institution, in managing and investing an institutional fund, shall consider the
10 charitable purposes of the institution and the purposes of the institutional fund.

11 (b) In addition to complying with the duty of loyalty imposed by law other
12 than this chapter, each person responsible for managing and investing an institutional
13 fund shall manage and invest the fund in good faith and with the care an ordinarily
14 prudent person in a like position would exercise under similar circumstances.

1 (c) In managing and investing an institutional fund, an institution
2 (1) may incur only costs that are appropriate and reasonable in relation
3 to the assets, the purposes of the institution, and the skills available to the institution;
4 and
5 (2) shall make a reasonable effort to verify facts relevant to the
6 management and investment of the fund.
7 (d) An institution may pool two or more institutional funds for purposes of
8 management and investment.
9 (e) Except as otherwise provided by a gift instrument, the following rules
10 apply:
11 (1) in managing and investing an institutional fund, the following
12 factors, if relevant, must be considered:
13 (A) general economic conditions;
14 (B) the possible effect of inflation or deflation;
15 (C) the expected tax consequences, if any, of investment
16 decisions or strategies;
17 (D) the role that each investment or course of action plays
18 within the overall investment portfolio of the fund;
19 (E) the expected total return from income and the appreciation
20 of investments;
21 (F) other resources of the institution;
22 (G) the needs of the institution and the fund to make
23 distributions and to preserve capital; and
24 (H) an asset's special relationship or special value, if any, to the
25 charitable purposes of the institution;
26 (2) management and investment decisions about an individual asset
27 may not be made in isolation but rather in the context of the institutional fund's
28 portfolio of investments as a whole and as a part of an overall investment strategy
29 having risk and return objectives reasonably suited to the fund and to the institution;
30 (3) except as otherwise provided by law other than this chapter, an
31 institution may invest in any kind of property or type of investment consistent with the

standards of this section;

(4) an institution shall diversify the investments of an institutional fund unless the institution reasonably determines that, because of special circumstances, the purposes of the fund are better served without diversification;

(5) within a reasonable time after receiving property, an institution shall make and implement decisions concerning the retention or disposition of the property or to rebalance a portfolio in order to bring the institutional fund into compliance with the purposes, terms, distribution requirements, and other circumstances of the institution and the requirements of this chapter;

(6) a person who has special skills or expertise, or is selected in reliance on the person's representation that the person has special skills or expertise, has a duty to use those special skills or that expertise in managing and investing institutional funds.

Sec. 13.70.020. Appropriation for expenditure or accumulation of endowment fund; rules of construction. (a) Subject to the intent of a donor expressed in a gift instrument, an institution may appropriate for expenditure or accumulate so much of an endowment fund as the institution determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund is established. Unless stated otherwise in a gift instrument, the assets in an endowment fund are donor-restricted assets until appropriated for expenditure by the institution. In making a determination to appropriate or accumulate, the institution shall act in good faith, with the care that an ordinarily prudent person in a like position would exercise under similar circumstances, and shall consider, if relevant, the following factors:

- (1) the duration and preservation of the endowment fund;
- (2) the purposes of the institution and the endowment fund;
- (3) general economic conditions;
- (4) the possible effect of inflation or deflation;
- (5) the expected total return from income and the appreciation of investments;
- (6) other resources of the institution; and
- (7) the investment policy of the institution.

1 (b) To limit the authority to appropriate for expenditure or accumulate under
2 (a) of this section, a gift instrument must specifically state the limitation.

3 (c) Terms in a gift instrument designating a gift as an endowment, a direction
4 or authorization in the gift instrument to use only "income," "interest," "dividends," or
5 "rents, issues, or profits," or "to preserve the principal intact," or words of similar
6 meaning

7 (1) create an endowment fund of permanent duration unless other
8 language in the gift instrument limits the duration or purpose of the fund; and

9 (2) do not otherwise limit the authority to appropriate for expenditure
10 or accumulate under (a) of this section.

11 **Sec. 13.70.030. Delegation of management and investment functions.** (a)
12 Subject to a specific limitation set out in a gift instrument or in law other than this
13 chapter, an institution may delegate to an external agent the management and
14 investment of an institutional fund to the extent that an institution could prudently
15 delegate under the circumstances. An institution shall act in good faith, with the care
16 that an ordinarily prudent person in a like position would exercise under similar
17 circumstances, in

18 (1) selecting an agent;

19 (2) establishing the scope and terms of the delegation, consistent with
20 the purposes of the institution and the institutional fund; and

21 (3) periodically reviewing the agent's actions in order to monitor the
22 agent's performance and compliance with the scope and terms of the delegation.

23 (b) In performing a delegated function, an agent owes a duty to the institution
24 to exercise reasonable care to comply with the scope and terms of the delegation.

25 (c) An institution that complies with (a) of this section is not liable for the
26 decisions or actions of an agent to whom the function was delegated.

27 (d) By accepting delegation of a management or investment function from an
28 institution that is subject to the laws of this state, an agent submits to the jurisdiction
29 of the courts of this state in all proceedings arising from or related to the delegation or
30 the performance of the delegated function.

31 (e) An institution may delegate management and investment functions to its

1 committees, officers, or employees as authorized by law other than this chapter.

2 **Sec. 13.70.040. Release or modification of restrictions on management,**
3 **investment, or purpose.** (a) With the donor's consent in a record, an institution may
4 release or modify, in whole or in part, a restriction contained in a gift instrument on
5 the management, investment, or purpose of an institutional fund. A release or
6 modification may not allow a fund to be used for a purpose other than a charitable
7 purpose of the institution.

8 (b) If a restriction contained in a gift instrument on the management or
9 investment of an institutional fund becomes impracticable or wasteful or impairs the
10 management or investment of the fund, or if, because of circumstances not anticipated
11 by the donor, a modification of a restriction will further the purposes of the fund, the
12 court, on application of the institution, may modify the restriction. The institution shall
13 notify the attorney general of the application. To the extent practicable, a modification
14 shall be made in accordance with the donor's probable intention.

15 (c) If a particular charitable purpose or a restriction contained in a gift
16 instrument on the use of an institutional fund becomes unlawful, impracticable,
17 impossible to achieve, or wasteful, the court, on application of an institution, may
18 modify the purpose of the fund or the restriction on the use of the fund in a manner
19 consistent with the charitable purposes expressed in the gift instrument.

20 (d) If an institution determines that a restriction contained in a gift instrument
21 on the management, investment, or purpose of an institutional fund is unlawful,
22 impracticable, impossible to achieve, or wasteful, the institution, 90 days or more after
23 notification of the attorney general, may release or modify the restriction, in whole or
24 part, if

25 (1) the institutional fund subject to the restriction has a total value of
26 less than \$50,000;

27 (2) more than 20 years have elapsed since the fund was established;
28 and

29 (3) the institution uses the property in a manner the institution
30 reasonably determines to be consistent with the charitable purposes expressed in the
31 gift instrument.

1 **Sec. 13.70.050. Reviewing compliance.** Compliance with this chapter is
2 determined in light of the facts and circumstances existing at the time a decision is
3 made or an action is taken.

4 **Sec. 13.70.060. Relation to Electronic Signatures in Global and National**
5 **Commerce Act.** This chapter modifies, limits, and supersedes 15 U.S.C. 7001 - 7031
6 (Electronic Signatures in Global and National Commerce Act), but does not modify,
7 limit, or supersede 15 U.S.C. 7001(c) or authorize electronic delivery of a notice
8 described in 15 U.S.C. 7003(b).

9 **Sec. 13.70.070. Application.** If another provision of law or of a governing
10 instrument of an institution applies to an institutional fund but conflicts with this
11 chapter, the other provision governs.

12 **Sec. 13.70.080. Uniformity of application and construction.** In applying and
13 construing this chapter, consideration shall be given to the need to promote uniformity
14 of the law with respect to its subject matter among states that enact it.
