Urging the United States Congress to reject H.R. 45, the Blair Holt's Firearm Licensing and Record of Sale Act of 2009.

---

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

**WHEREAS** the Second Amendment to the United States Constitution enunciates a citizen's right to keep and bear arms, stating that that right shall not be infringed; and

**WHEREAS** art. I, sec. 19, Constitution of the State of Alaska, provides that the right of the people to keep and bear arms shall not be infringed and further states that the individual right to keep and bear arms shall not be denied or infringed; and

**WHEREAS** H.R. 45 has been introduced in the United States Congress to require licensure of firearm owners and extensive recordkeeping of transactions that result in the transfer of certain firearms, including handguns and semiautomatic rifles; and

**WHEREAS** H.R. 45, referred to as the Blair Holt's Firearm Licensing and Record of Sale Act of 2009, would make it a federal felony to possess a firearm without a license; and

**WHEREAS** H.R. 45 would also make it a federal felony to transfer a firearm to another person who is not licensed; and

**WHEREAS** H.R. 45 directs the Attorney General of the United States to establish and

maintain a federal system documenting the sale and transfer of firearms; and

**WHEREAS** H.R. 45 would make it a federal misdemeanor to fail to report the loss or theft of a firearm to the attorney general within 72 hours; and

**WHEREAS**, under H.R. 45, a firearm owner could be charged with a federal felony based on the actions of a juvenile who might gain access to the firearm; and

**WHEREAS** H.R. 45 directs the attorney general to establish and maintain a firearm injury information clearinghouse, to conduct studies of firearm-related deaths and injuries and to collect and maintain production and sales data from licensed firearm manufactures; and

**WHEREAS** the provisions of H.R. 45 cumulatively constitute a gun registration system and an assault on the Second Amendment rights of United States citizens; and

**WHEREAS** the private ownership of firearms has always been a key component of our national defense and constitutes a constructive notice to our enemies that Americans are a free people and a people free to defend themselves; and

**WHEREAS** H.R. 45 would diminish this traditional component of our national defense; and

**WHEREAS** there are other methods of addressing the problem of gun violence and gun-related deaths, such as increased education on the proper handling and use of firearms, that would be more effective and less intrusive into the private lives of American citizens and would not diminish a constitutionally guaranteed right;

**BE IT RESOLVED** that the Alaska State Legislature opposes the Blair Holt's Firearm Licensing and Record of Sale Act of 2009, urges the United States Congress to reject H.R. 45, and further urges the members of the Alaska Congressional delegation to oppose and defeat H.R. 45; and be it

**FURTHER RESOLVED** that members of the Alaska Congressional delegation are urged to support and expand federal funding of firearm education programs.

**COPIES** of this resolution shall be sent to the Honorable Joseph R. Biden, Jr., Vice-President of the United States and President of the U.S. Senate; the Honorable Harry Reid, Majority Leader of the U.S. Senate; the Honorable Mitch McConnell, Minority Leader of the U.S. Senate; the Honorable Nancy Pelosi, Speaker of the U.S. House of Representatives; the Honorable John Boehner, Minority Leader of the U.S. House of Representatives; and the Honorable Lisa Murkowski and the Honorable Mark Begich, U.S. Senators, and the

Honorable Don Young, U.S. Representative, members of the Alaska delegation in Congress.
