House  
Resolve No.  
10

In support of providing TRICARE program health care benefits to United States Coast Guard and military retirees as promised.

---

## BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES:

**WHEREAS** recruiting and maintaining a high-quality, all-volunteer, effective military force to safeguard national security is a primary goal of the United States Department of Defense; and

**WHEREAS** persons who volunteer for military service are at risk of mortal harm throughout the time they serve; and

**WHEREAS** the people of the state and nation rely on the men and women who serve in the military to execute faithfully that service; and

**WHEREAS** it is reasonable for the men and women who serve in the military to rely on promises made to them by the people of the state and nation; and

**WHEREAS** men and women who serve in the military and the United States Coast Guard have been promised they will receive military retiree health care benefits from the TRICARE program of the United States Department of Defense Military Health System (10 U.S.C. 55) after they perform 20 or more years of honorable military service; and

**WHEREAS** breaking that promise would be dishonorable;

**BE IT RESOLVED** that the House of Representatives supports providing to military retirees who have kept their oaths of office and served the people of the state and nation the TRICARE program health care benefits they were promised in exchange for that service without their being required to participate in health care programs that are more expensive to them than the TRICARE program and without their eligibility for TRICARE program health care benefits being made subject to means testing.

**COPIES** of this resolution shall be sent to the Honorable Barack Obama, President of the United States; the Honorable Joseph R. Biden, Jr., Vice-President of the United States and President of the U.S. Senate; the Honorable Leon E. Panetta, United States Secretary of Defense; the Honorable Janet A.
