4 (b) It is the intent of the legislature that all state agencies and instrumentalities that
5 intend to contract for basic or applied research, including consultation, undertaking a study,

9 obtain that service from the University of Alaska unless contrary to the best interests of the
10 state or contrary to another provision of law.

11 (c) It is the intent of the legislature that the executive branch continue to enforce the

14 (d) It is the intent of the legislature that the commissioner of each department in the
15 executive branch prepare a report to the legislature, to be delivered to the senate secretary and
16 chief clerk of the house of representatives not later than January 17, 2017, identifying services
17 that can be privatized, including procurement, client services, human resource management,
18 and auditing of certain files.

19 (e) It is the intent of the legislature that the governor develop a plan using best
20 practices to find efficient measures to co-locate the Alaska Aerospace Corporation, Alaska
