Chapter No.

AN ACT

Extending the exemption from regulation by the Regulatory Commission of Alaska for certain facilities or plants generating energy from renewable energy resources.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

THE ACT FOLLOWS ON PAGE 1

AN ACT

1 Extending the exemption from regulation by the Regulatory Commission of Alaska for certain
2 facilities or plants generating energy from renewable energy resources.

3 _____
4 * **Section 1.** AS 42.05.711(r) is amended to read:

5 (r) A plant or facility that generates electricity entirely from renewable energy
6 resources is exempt from regulation under this chapter if

7 (1) the plant or facility

8 (A) is first placed into commercial operation on or after
9 August 31, 2010, and before **July 1, 2021** [JANUARY 1, 2016]; and

10 (B) does not generate more than 65 megawatts of electricity;

11 (2) the electricity generated by the plant or facility is sold only to one
12 or more electric utilities that are regulated by the commission; and

13 (3) the person that constructs, owns, acquires, or operates the plant or

1 facility has not received from the state

2 (A) a grant that was used to generate the electricity from the
3 renewable energy resources; or

4 (B) a tax credit related to the generation of electricity from the
5 renewable energy resources.
