With due respect for our religious differences and
beliefs, I invite you all to join me in this prayer.

Almighty God, be present with this body through the
course of their deliberations today. Guide everyone's
thought and speech so that today's proceedings may yield
lasting fruits of deeper understanding of the full
potentialities of this land, plus a greater and sustained
ability to make Alaska a land of blessing and fulfillment
for all, especially the less privileged. We thank You for
the natural bounty with which You have blessed and
beautified this land, and we pray that Your hand of
protection be upon this state and nation whenever it is
threatened with danger. We also continue to pray that

You shield this state from all that will disrupt the life and comfort of its people, banish every disease that will confound our physicians and keep us safe from any form of natural or social disaster. Solidify our hope for a greater Alaska where the leaders and the governed will live together in abundance, harmony and peace. Amen.

Senator Olson led the Senate in the Pledge of Allegiance.
