**ALASKA STATE LEGISLATURE**  
**THIRTY-FIRST LEGISLATURE**  
**SECOND SESSION**

**Thirty-seventh Day**

Pursuant to adjournment the Senate was called to order by President Giessel at 11:07 a.m.

The roll showed nineteen members present. Senator Costello was excused from a call of the Senate.

The prayer was offered by the Chaplain, Reverend Nancy Campbell, White Fields Church. Senator Coghill moved and asked unanimous consent the prayer be spread. Without objection, it was so ordered.

Dear Heavenly Father, I invite your presence here, now, in the Senate as they convene this day. Be their guide today, be their strong tower, Lord. Be their eyes and be their ears. Be in their voices as they reason together for the good of our state.

May each one of them walk in their gifting and callings as they move forward in this legislative session; speaking boldly the thoughts and visions stirring within them.

"Be thou my vision, O lord of my heart.  
Naught be all else to me, save that Thou art  
Thou my best Thought, by day or by night  
Waking or sleeping, Thy presence my light  
Be Thou my Wisdom, and Thou my true Word  
I ever with Thee and Thou with me, Lord. "  
(Traditional Irish hymn)

Bless them, now, Lord. Bless their families and grant them good health. I pray this in Jesus name, Amen.

Senator Micciche led the Senate in the Pledge of Allegiance.

#### **SB 123**

The Senate Special Committee on the Railbelt Electric System considered SENATE BILL NO. 123 "An Act relating to the regulation of electric utilities and electric reliability organizations; and providing for an effective date" and recommended it be replaced with

CS FOR SENATE BILL NO. 123(RBE) "An Act relating to the creation and regulation of electric reliability organizations; relating to participation of electric utilities in electric reliability organizations; relating to duties of electric reliability organizations; providing for integrated resource planning; requiring project preapproval for certain interconnected large energy facilities; and providing for an effective date."

and further recommended the adoption of a Senate Railbelt Electric System Committee Letter of Intent:

#### Letter of Intent

It is the intent of the Thirty-First Alaska State Legislature that under SB 123, reliability standards, electric reliability organization (ERO) tariff standards, planning terms, and project pre-approval requirements will ultimately apply across the entire interconnected Railbelt electric energy network. Broad application is necessary to achieve the desired efficiencies and reliability for Alaskans within the Railbelt.

SB 123 does not in any way affect or change the existing relationship between the RCA and the Bradley Lake project agreements, contracts, and amendments exempt under AS 42.05.431(c). It is, however, the intent of the Alaska State Legislature that after the Bradley Lake project debt is satisfied and the AS 42.05.431(c) exemption expires, those agreements, contracts, and amendments shall be subject to SB 123.

Should Bradley Lake project agreements, contracts, and amendments receive a future extension of the AS 42.05.431(c) exemptions, the Thirty-First Alaska State Legislature urges consideration of the relationship between Bradley Lake and associated infrastructure and projects, the Railbelt network, and the electric reliability organization, and emphasizes the intent to subject all interconnected network users, owners, or operators to the reliability standards, an electric reliability organization tariff, planning, and project pre-approval requirements.

Signing do pass: Senator Coghill, Chair; Senator Gray-Jackson.  
Signing no recommendation: Senator Micciche.

The following fiscal information was published today:  
Fiscal Note No. 1, zero, Department of Commerce,  
Community, and Economic Development
