

HOUSE JOURNAL
ALASKA STATE LEGISLATURE
THIRTY-SECOND LEGISLATURE
SECOND SESSION

Juneau, Alaska

Wednesday

May 18, 2022

One Hundred Twenty-first Day

Pursuant to adjournment the House was called to order by Speaker Stutes at 11:14 a.m.

Roll call showed 40 members present.

The invocation was offered by the Chaplain, Representative Rauscher. Representative Thompson moved and asked unanimous consent that the invocation be spread on the journal. There being no objection, it was so ordered.

It is with the deepest respect for all Alaskans, I offer this prayer:

Father God in Heaven, Good Morning!
Hallowed is your name above all and your kingdom has no end. We come to you with offerings of thanksgiving, prayer, and petition. Thank you for your son, who died on the cross that we may live with you eternally in heaven.

As we assemble here, for what may be the last time in this session, we have so much to be thankful for. We give thanks for our homes, our health, our families, and for our privilege to serve here as legislators.

Father God, we recognize we cannot take a single breath without you. You are our provider. You forgive our iniquities time and time again. So, we ask for the strength to forgive those around us in the same manner.

Father God, help us to recognize our calling as an opportunity to be able to make a difference, and we ask that we not take it lightly. Yet, as we work alongside our colleagues, remind us of their need to represent their district with the same individuality and passion as we represent our own.

We pray for the children of this state, that we enable them so they can grow and learn to become productive and giving in nature. Father God, heal the broken hearts of the foster child, give them a stable and loving environment. Provide them with hope and an answer to their prayers.

We pray for the unborn child, that their lives will be allowed to have meaning and purpose in this world. Give assurance to the recovering addict and a lighted path to those that are still lost. Those in prison, we ask that they are not forgotten and that your word comfort them each passing day. We lift up the elderly, help us understand how to provide for their necessities.

For our state, we pray a covering of prosperity and let it be a warm and inviting home to all those wishing to settle here. We ask that you watch over this floor session, keep us humble and civil. Help us to begin now with the Love of the Father, the Fellowship of the Holy Spirit, and the Grace of our Lord Jesus Christ. In Jesus' name we pray. Amen.

The Pledge of Allegiance was led by Representative Patkotak.

Sec. 47.05.010. Duties of Department of Health. The Department of Health shall

(1) administer adult public assistance, the Alaska temporary assistance program, and all other assistance programs, and receive and spend money made available to it;

(2) adopt regulations necessary for the conduct of its business and for carrying out federal and state laws granting adult public assistance, temporary cash assistance, diversion payments, or self-sufficiency services for needy families under the Alaska temporary assistance program, and other assistance;

(3) establish minimum standards for personnel employed by the department and adopt necessary regulations to maintain those standards;

(4) require those bonds and undertakings from persons employed by it that, in its judgment, are necessary, and pay the premiums on them;

(5) cooperate with the federal government in matters of mutual concern pertaining to adult public assistance, the Alaska temporary assistance program, and other forms of public assistance;

(6) make the reports, in the form and containing the information, that the federal government from time to time requires;

(7) cooperate with the federal government in adopting

state plans to make the state eligible for federal matching in appropriate categories of assistance, and in all matters of mutual concern, including adoption of the methods of administration that are found by the federal government to be necessary for the efficient operation of welfare programs;

(8) adopt regulations, not inconsistent with law, defining need, prescribing the conditions of eligibility for assistance, and establishing standards for determining the amount of assistance that an eligible person is entitled to receive; the amount of the assistance is sufficient when, added to all other income and resources available to an individual, it provides the individual with a reasonable subsistence compatible with health and well-being; an individual who meets the requirements for eligibility for assistance shall be granted the assistance promptly upon application for it;

(9) grant to a person claiming or receiving assistance and who is aggrieved because of the department's action or failure to act, reasonable notice and an opportunity for a fair hearing by the office of administrative hearings (AS 44.64.010), and the department shall adopt regulations relative to this;

(10) enter into reciprocal agreements with other states relative to public assistance that are considered advisable;

(11) establish the requirements of residence for public assistance that are considered advisable, subject to the limitations of other laws of the state, or law or regulation imposed as conditions for federal financial participation;

(12) establish the divisions and local offices that are considered necessary or expedient to carry out a duty or authority assigned to it and appoint and employ the assistants and personnel that are necessary to carry on the work of the divisions and offices, and fix the compensation of the assistants or employees, except that a person engaged in business as a retail vendor of general merchandise, or a member of the immediate family of a person who is so engaged, may not serve as an acting, temporary, or permanent local agent of the department, unless the commissioner of health certifies in writing to the governor, with relation to a particular community, that no other qualified person is available in the community to serve as local welfare agent; for the purposes of this paragraph, a "member of the immediate family" includes a spouse, child, parent, brother, sister, parent-in-

law, brother-in-law, or sister-in-law;

(13) provide education and health-related services and referrals designed to reduce the number of out-of-wedlock pregnancies and the number of induced pregnancy terminations in the state;

(14) investigate reports of abuse, neglect, or misappropriation of property by certified nurse aides in facilities licensed by the department under AS 47.32;

(15) establish state policy relating to and administer federal programs subject to state control as provided under 42 U.S.C. 3001 - 3058ee (Older Americans Act of 1965), as amended, and related federal regulations;

(16) administer the older Alaskans service grants under AS 47.65.010 - 47.65.050 and the adult day care and family respite care grants under AS 47.65.100;

(17) develop and implement a public education program to promote safe firearm storage; the program under this paragraph must be primarily directed at the actions of adults and may not address other matters related to the right to keep and bear arms; the department shall consider public input when preparing the focus and content of each public education program under this program;

Insert **"relating to the modification of a royalty or net profit share in an oil and gas or gas only lease;"**

Page 1, following line 3:

Insert new bill sections to read:

"* **Section 1.** AS 36.30.850(b)(32) is amended to read:

(32) **a contract** [CONTRACTS] between the Department of Natural Resources and **a contractor** [CONTRACTORS] qualified to evaluate hydrocarbon development, production, transportation, and economics, to assist the commissioner of natural resources in evaluating applications for **a royalty or net profit share modification under AS 38.05.180(j)** [INCREASES OR DECREASES OR OTHER ROYALTY ADJUSTMENTS,] and evaluating the related financial and technical data [, ENTERED INTO UNDER AS 38.05.180(j)];

* **Sec. 2.** AS 38.05.180(j) is amended to read:

(j) The commissioner

(1) may provide for modification of **a royalty or net profit share** on individual leases, leases unitized as described in (p) of this section, leases subject to an agreement described in (s) or (t) of this section, or interests unitized under AS 31.05

(A) to allow for production from an oil or gas field or pool if

(i) the oil or gas field or pool has been sufficiently delineated to the satisfaction of the commissioner;

(ii) the field or pool has not previously produced oil or gas for **commercial** sale; and

(iii) oil or gas production from the field or pool would not otherwise be economically feasible;

(B) to prolong the economic life of an oil or gas field or pool as per barrel or barrel equivalent costs increase or as the price of oil or gas decreases, and the increase or decrease is sufficient to make future production no longer economically feasible; [OR]

(C) to reestablish production of shut-in oil or gas that would not otherwise be economically feasible; **or**

(D) to prolong the economic life of an oil or gas field or pool from which, without additional capital expenditures, future production would no longer be economically feasible; a royalty modification may not be made under this subparagraph;

(2) may not grant a royalty or net profit share modification unless the lessee or lessees requesting the change make a clear and convincing showing that [A] modification of the royalty or net profit share meets the requirements of this subsection and is in the best interests of the state;

(3) shall provide for an increase or decrease or other modification of the state's royalty or net profit share by a fixed royalty, sliding scale royalty, net profit share adjustment, or other mechanism [THAT SHALL BE] based on a change in the price of oil or gas or [AND MAY ALSO BE BASED] on other relevant factors, including [SUCH AS] a change in production rate, projected ultimate recovery, development costs, and operating costs;

(4) may not grant a royalty reduction for a field or pool

(A) under (1)(A) of this subsection if the royalty modification for the field or pool would establish a royalty rate of less than five percent in amount or value of the production removed or sold from a lease or leases covering the field or pool;

(B) under (1)(B) or (1)(C) of this subsection if the royalty modification for the field or pool would establish a royalty rate of less than three percent in amount or value of the production removed or sold from a lease or leases covering the field or pool;

(5) may not grant a net profit share modification for a field or pool under (1) of this subsection that would reduce a share reserved to the state to less than 10 percent of the net profit derived from the lease;

(6) may not grant a net profit share modification for a field or pool under (1)(D) of this subsection unless

(A) the modification requires the lessee or lessees to make the capital expenditures necessary for production to be economically feasible; and

(B) the commissioner determines that the capital expenditures made under (A) of this paragraph are sufficient to maximize production from the field or pool;

(7) [(5)] may not grant a royalty or net profit share reduction under this subsection without including an explicit condition that the royalty or net profit share reduction is not assignable without the prior written approval, which may not be

unreasonably withheld, by the commissioner; the commissioner shall, in the preliminary and final findings and determinations, set out the conditions under which the royalty **or net profit share** reduction may be assigned;

(8) [(6)] shall require the lessee or lessees to submit, with the application for the royalty **or net profit share** reduction, financial and technical data that demonstrate that the requirements of this subsection are met; the commissioner

(A) may require disclosure of only the financial and technical data related to development, production, and transportation of oil and gas or gas only from the field or pool that are reasonably available to the applicant; and

(B) shall keep the data confidential under AS 38.05.035(a)(8) at the request of the lessee or lessees making application for the royalty **or net profit share** reduction; the confidential data may be disclosed by the commissioner to legislators and to the legislative auditor and as directed by the chair or vice-chair of the Legislative Budget and Audit Committee to the director of the division of legislative finance, the permanent employees of their respective divisions who are responsible for evaluating a royalty **or net profit share** reduction, and to agents or contractors of the legislative auditor or the legislative finance director who are engaged under contract to evaluate the royalty **or net profit share** reduction, if they sign an appropriate confidentiality agreement;

(9) [(7)] may

(A) require the lessee or lessees making application for the royalty reduction under (1)(A) **of this subsection or a net profit share reduction under (1)(A) or (1)(D)** of this subsection to pay for the services of an independent contractor, selected by the lessee or lessees from a list of qualified consultants compiled by the commissioner, to evaluate hydrocarbon development, production, transportation, and economics and to assist the commissioner in evaluating the application and financial and technical data; if, under this subparagraph, the commissioner requires payment for the services of an independent contractor, the total cost of the services to be paid for by the lessee or lessees may not exceed \$150,000 for each application, and the

commissioner shall determine the relevant scope of the work to be performed by the contractor; selection of an independent contractor under this subparagraph is not subject to AS 36.30;

(B) with the mutual consent of the lessee or lessees making application for the royalty or net profit share reduction under (1)(B) or (1)(C) of this subsection, request payment for the services of an independent contractor, selected from a list of qualified consultants to evaluate hydrocarbon development, production, transportation, and economics by the commissioner to assist the commissioner in evaluating the application and financial and technical data; if, under this subparagraph, the commissioner requires payment for the services of an independent contractor, the total cost of the services that may be paid for by the lessee or lessees may not exceed \$150,000 for each application, and the commissioner shall determine the relevant scope of the work to be performed by the contractor; selection of an independent contractor under this subparagraph is not subject to AS 36.30;

(10) [(8)] shall make and publish a preliminary findings and determination on the royalty or net profit share reduction application, give reasonable public notice of the preliminary findings and determination, and invite public comment on the preliminary findings and determination during a 30-day period for receipt of public comment;

(11) [(9)] shall offer to appear before the Legislative Budget and Audit Committee, on a day that is not earlier than 10 days and not later than 20 days after giving public notice under (9) [(8)] of this subsection, to provide the committee a review of the commissioner's preliminary findings and determination on the royalty or net profit share reduction application and administrative process; if the Legislative Budget and Audit Committee accepts the commissioner's offer, the committee shall give notice of the committee's meeting to all members of the legislature;

(12) [(10)] shall make copies of the preliminary findings and determination available to

(A) the presiding officer of each house of the legislature;

(B) the chairs of the legislature's standing committees on resources; and

(C) the chairs of the legislature's special committees on oil and gas, if any;

(13) [(11)] shall, within 30 days after the close of the public comment period under **(9)** [(8)] of this subsection,

(A) prepare a summary of the public response to the commissioner's preliminary findings and determination;

(B) make a final findings and determination; the commissioner's final findings and determination prepared under this subparagraph regarding a royalty **or net profit share** reduction is final and not appealable to the court;

(C) transmit a copy of the final findings and determination to the lessee;

(D) with the applicant's consent, amend the applicant's lease or unitization agreement consistent with the commissioner's final decision; and

(E) make copies of the final findings and determination available to each person who submitted comment under **(9)** [(8)] of this subsection and who has filed a request for the copies;

(14) [(12)] is not limited by the provisions of AS 38.05.134(3) or (f) of this section in the commissioner's determination under this subsection.

* **Sec. 3.** AS 38.05.180(p) is amended to read:

(p) To conserve the natural resources of all or a part of an oil or gas pool, field, or like area, the lessees and their representatives may unite with each other, or jointly or separately with others, in collectively adopting or operating under a cooperative or a unit plan of development or operation of the pool, field, or like area, or a part of it, when determined and certified by the commissioner to be necessary or advisable in the public interest. The commissioner may, with the consent of the holders of leases involved, establish, change, or revoke drilling, producing, and royalty requirements of the leases and adopt regulations with reference to the leases, with like consent on the part of the lessees, in connection with the institution and operation of a cooperative or unit plan as the commissioner determines necessary or proper to secure the proper protection of the public interest. The commissioner may not reduce **the** royalty **or net profit share** on **a lease** [LEASES] in connection with a cooperative or unit plan except as provided in (j) of this section. The commissioner may require a lease issued

under this section to contain a provision requiring the lessee to operate under a reasonable cooperative or unit plan, and may prescribe a plan under which the lessee must operate. The plan must adequately protect all parties in interest, including the state.

* **Sec. 4.** AS 38.05.180(s) is amended to read:

(s) When separate tracts cannot be individually developed and operated in conformity with an established well-spacing or development program, a lease, or a portion of a lease, may be pooled with other land, whether or not owned by the state, under a communitization or drilling agreement providing for an apportionment of production or royalties among the separate tracts of land comprising the drilling or spacing unit when determined by the commissioner to be in the public interest. Operations or production under the agreement are considered as operations or production as to each lease committed to the agreement. The commissioner may not reduce **the** royalty **or net profit share** on **a lease** [LEASES] in connection with a communitization or drilling agreement except as provided in (j) of this section.

* **Sec. 5.** AS 38.05.180(t) is amended to read:

(t) The commissioner may prescribe conditions and approve, on conditions, **a** drilling [,] or development **contract** [CONTRACTS] made by one or more lessees of oil or gas leases, with one or more persons, when, in the discretion of the commissioner, the conservation of natural resources or the public convenience or necessity requires it or the interests of the state are best served. **A lease** [ALL LEASES] operated under **an** approved drilling or development **contract,** [CONTRACTS] and interests under **the contract** [THEM], are excepted in determining holding or control under AS 38.05.140. The commissioner may not reduce **the** royalty **or net profit share** on a lease [OR LEASES] that **is** [ARE] subject to a drilling or development contract except as provided in (j) of this section.

* **Sec. 6.** AS 38.05.180 is amended by adding a new subsection to read:

(mm) The commissioner may grant a royalty or net profit share modification under (j) of this section only if the Alaska Royalty Oil and Gas Development Advisory Board recommends that the commissioner approve the royalty or net profit share modification.

* **Sec. 7.** AS 38.06.040(a) is amended to read:

(a) The board shall

(1) in accordance with the criteria set out in AS 38.06.070, develop a plan for the wise development of the state's oil and gas royalty interests; the plan of development shall be consistent with

(A) growth of the private sector of the economy;

(B) environmental standards required by law; and

(C) public fiscal stability;

(2) hold public hearings on proposed sales, exchanges, or other disposals of royalty oil or gas to determine whether the proposals comply with AS 38.06.070;

(3) examine proposed sales, exchanges, or other disposal of, and recommend to the legislature that it approve or disapprove a proposed sale, exchange, or other disposal of

(A) the oil or gas that is obtained by the state as royalty under AS 38.05.182; or

(B) the rights to receive future oil or gas production under state leases; [AND]

(4) recommend to the commissioner of natural resources the conditions relating to the sale, delivery, transportation, refining, or processing of oil or gas **that** [WHICH] the commissioner may include in the offer and sale of oil or gas obtained by the state as royalty under AS 38.05.182; **and**

(5) review a royalty or net profit share modification under AS 38.05.180 and recommend that the commissioner approve or disapprove the modification."
