**Ninety-first Day**

Pursuant to adjournment the Senate was called to order by President Micciche at 11:15 a.m.

The roll showed eighteen members present. Senators Kawasaki, von Imhof were absent.

The prayer was offered by the Chaplain, Kelli Toth, staff to Senator Reinbold. Senator Hoffman moved and asked unanimous consent the prayer be spread. Without objection, it was so ordered.

Heavenly Father,

Alaska's Constitution has not only expressed its gratitude to you, but also to our nation's founders and our state's pioneers. Our constitution also declares in its first breath that all persons are entitled to the natural right to life, liberty, and the pursuit of happiness, and that all persons are entitled to equal rights, opportunities, and protection before the law.

We have learned through painful experience that whenever any member of the human family is denied protection before the law, we open all of our humanity to risk. Therefore, we beg you to assist us in finding harmony, in defining personhood, and protection for the entire human family. In these trying and disturbing times, please lighten our minds, temper our disagreements, and open our hearts.

In Jesus' name I pray,

Amen.

SENATE BILL NO. 127 BY SENATOR SHOWER, entitled:

"An Act establishing a private cause of action for unfair claim settlement practices; and amending Rules 79 and 82, Alaska Rules of Civil Procedure."

was read the first time and referred to the Labor and Commerce and Judiciary Committees.

**SB 128**

SENATE BILL NO. 128 BY THE SENATE RULES COMMITTEE BY REQUEST OF THE GOVERNOR, entitled:

"An Act making special appropriations relating to the American Rescue Plan Act; and providing for an effective date."

was read the first time and referred to the Finance Committee.

Governor's transmittal letter dated April 16:

Dear President Micciche:

Under the authority of Article III, Section 18 of the Alaska Constitution, I am transmitting a bill relating to appropriations of \$1.54 billion in federal relief funds from the American Rescue Plan Act.

This appropriation bill includes \$1.02 billion in state discretionary federal relief funds allocated to balance relief for impacted individuals and industries, Alaska's long-term economic development, and offsetting unrestricted general fund expenditures to improve Alaska's fiscal situation. The following broad categories are proposed allocations of the \$1.02 billion:

- Protecting Alaskans: \$80 million for emergency response to address economic impacts, the negative effects of domestic violence, food security, and assistance to households and individual Alaskans.
- Alaska Tourism Revitalization: \$150 million for industry relief, to promote tourism, and adapt services for the potential loss of another cruise ship season.
- Economic Recovery and Innovation: \$325 million of relief to businesses and organizations impacted by COVID-19, and to prepare Alaska's economy for investment as we reach the end of the pandemic and a return to normal life.
- Build Alaska – Infrastructure Investment: \$325 million for water, sewer, and broadband infrastructure investments.
- General Fund Offsets - \$139.3 million to provide state government services by offsetting existing general fund expenditures.

Additionally, \$112.3 million in federal funding is allocated to the State for capital projects directly enabling work, education, and health monitoring. This is a placeholder appropriation pending further detail from United States Treasury on the funding requirements and the application process, which should be made available on or before May 10, 2021.

The American Rescue Plan Act also provided \$230.7 million for payments to Alaska communities, of which \$185.4 million requires appropriation and distribution by the State of Alaska to communities based on a federal formula. This funding is included in this legislation.

Numerous state programs were awarded increased federal funding in the American Rescue Plan Act. Appropriations for these federal awards are included in this bill for items where sufficient guidance and details are known. This includes \$220 million for specific programs for public health and safety, workforce development, education, transportation, and emergency management. This amount represents the best-known information at this time of the total federal authorization that will be required for American Rescue Plan Act funding.

My administration will work with the legislature to refine these appropriations as additional guidance is provided by the federal government. I look forward to engaging with you to implement a robust plan for these funds for the benefit of all Alaskans.

Sincerely,

/s/

Mike Dunleavy

Governor
