O God, we thank you for the lives of great saints and prophets in the past, who have revealed to us that we can stand up amid the problems and difficulties and trials of life and not give in. We thank you for our foreparents, who have given us something in the midst of the darkness of exploitation and oppression to keep going. Grant that we will go on with the proper faith and the proper determination of will, so that we will be able to make a creative contribution to this world. In the name and spirit of Jesus I pray.

Amen.
