**ALASKA STATE LEGISLATURE**  
**THIRTY-SECOND LEGISLATURE**  
**SECOND SESSION**

**Juneau, Alaska**

**Friday**

**February 4, 2022**

**Eighteenth Day**

Pursuant to adjournment the Senate was called to order by President Micciche at 10:34 a.m.

The roll showed fifteen members present. Senators Holland, Kawasaki, Myers were excused from a call of the Senate. Senators Bishop, von Imhof were absent.

The prayer was offered by the Chaplain, Pastor Keith Greene, Glacier Valley Church of God. Senator Hoffman moved and asked unanimous consent the prayer be spread. Without objection, it was so ordered.

Father,

I come to you this morning thanking you for the men and women here who have given up their time to help plan and run this great state. While we may not always agree on everything, God, one thing we do know and agree on is that this is a wonderful state. So, God, I ask you today for wisdom, for guidance, for insight. Bless what is done here today, Lord, so that in the end I honor you.

In the mighty name of Jesus, I pray,

Amen.

Senator Hughes led the Senate in the Pledge of Allegiance.

Senator Hughes moved and asked unanimous consent Senator von Imhof be excused from a call of the Senate today. Without objection, Senator von Imhof was excused.

**Certification**

Senator Hughes moved and asked unanimous consent the journals for the sixteenth and seventeenth legislative days be approved as certified by the Secretary. Without objection, it was so ordered.

The presence of Senator Bishop was noted.

SENATE BILL NO. 179 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to the establishment of a renewable  
portfolio standard for regulated electric utilities; and  
providing for an effective date."

was read the first time and referred to the Labor and Commerce and  
Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, Department of Commerce, Community, and  
Economic Development

Governor's transmittal letter dated February 2:

Dear President Micciche:

Under the authority of Article III, Section 18, of the Alaska  
Constitution, I am transmitting a bill relating to the creation of a  
renewable portfolio standard for regulated electric utilities.

This bill would direct regulated utilities to increase their proportion of  
net electricity production from renewable energy resources to meet  
discrete statutory targets, starting with 20 percent renewable energy  
resources by 2025 and 80 percent renewable energy resources by  
2040.

Benchmarks will be set every five years, beginning December 31,  
2025, by dividing each utility's annual net sales to customers of  
generation derived from renewable energy resources by the same  
utility's total retail electricity sales each year. The Railbelt Reliability  
Council will be required to account for these production targets in  
their integrated resource planning. Reporting and attainment will be  
managed by the Regulatory Commission of Alaska, beginning with the  
first annual reports in 2024.

While 30 states and counting have passed a renewable portfolio standard as of 2020, this bill does not take a one-size-fits-all approach. Waivers have been provided for transmission capacity constraints, natural disasters, and many other “good cause” considerations. To emphasize Alaska’s unique “succeed together” approach, utilities will be granted an exemption if production targets are met by all utilities in aggregate regardless of individual utility failures. Finally, all utilities have been granted one exemption from their first instance of noncompliance.

This bill takes a concrete step toward energy independence, long-term cost reductions through up to \$650 million in annual fuel savings by 2040, and the creation of a competitive marketplace for innovative power producers.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

**SB 180**

SENATE BILL NO. 180 BY THE SENATE RULES COMMITTEE  
BY REQUEST OF THE GOVERNOR, entitled:

"An Act relating to commercial passenger vessel environmental compliance; relating to commercial passenger vessel fees; establishing the wastewater infrastructure grant fund; repealing the authority for citizens' suits relating to commercial passenger vessel environmental compliance; repealing the commercial passenger vessel recognition program; and providing for an effective date."

was read the first time and referred to the Resources and Finance Committees.

The following fiscal information was published today:

Fiscal Note No. 1, Department of Environmental Conservation  
Fiscal Note No. 2, Department of Environmental Conservation  
Fiscal Note No. 3, Department of Environmental Conservation  
Fiscal Note No. 4, Department of Environmental Conservation

Governor's transmittal letter dated February 2:

Dear President Micciche:

Under the authority of Article III, Section 18, of the Alaska Constitution, I am transmitting a bill relating to commercial passenger vessel environmental compliance.

This bill is an update of the commercial passenger vessel environmental oversight statutes drafted by the Department of Environmental Conservation in 2001. The changes proposed in the bill will allow them to be more effective in protecting Alaska's environment. It repeals the statutory requirement for on-board ocean ranger observers created by ballot initiative in 2006 in favor of Department inspection staff spending more time on board vessels. It also changes the statutory fees applied to commercial passenger vessels, adjusts wastewater discharge definitions, and aligns the commercial passenger vessel environmental compliance program within the Department of Environmental Conservation's regulatory structure.

The proposal would retain the core structure of the Department's oversight, while repealing detailed provisions that are better managed in regulation for timely updates in response to changing science on contamination and pollutants. It has delayed effective dates, particularly for small commercial vessels, that allow uniform implementation and time for the industry to come into compliance with the new law.

Finally, the bill creates a new wastewater infrastructure grant fund that would be available for municipal port communities to apply and receive partial funding toward establishing, upgrading, or improving wastewater treatment collection systems or facilities that provide services to commercial passenger vessels.

I urge your prompt and favorable action on this measure.

Sincerely,

/s/

Mike Dunleavy  
Governor

**SB 181**

SENATE BILL NO. 181 BY THE SENATE COMMUNITY AND REGIONAL AFFAIRS COMMITTEE, entitled:

"An Act relating to identification requirements for contractors."

was read the first time and referred to the Community and Regional Affairs and Labor and Commerce Committees.

**Consideration of the Calendar****Second Reading of Senate Bills****SB 9**

SENATE BILL NO. 9 "An Act relating to alcoholic beverages; relating to the regulation of manufacturers, wholesalers, and retailers of alcoholic beverages; relating to licenses, endorsements, and permits involving alcoholic beverages; relating to common carrier approval to transport or deliver alcoholic beverages; relating to the Alcoholic Beverage Control Board; relating to offenses involving alcoholic beverages; amending Rule 17(h), Alaska Rules of Minor Offense Procedure; and providing for an effective date" was read the second time.

Senator Bishop, Cochair, moved and asked unanimous consent for the adoption of the Finance Committee Substitute offered today. Senator Begich objected, then withdrew his objection. There being no further objection, CS FOR SENATE BILL NO. 9(FIN) was adopted.

President Micciche stated CS FOR SENATE BILL NO. 9(FIN) will advance to third reading on the February 8 calendar.
