ARTICLE ON SUFFRAGE AND ELECTIONS

RESOLVED, that the following be agreed upon as part of the Alaska State Constitution.

Qualifications and Residence

1. Section 1. Every citizen of the United States, who shall have attained the age of 19 years, who is an actual and bona fide resident of Alaska, and who has been such resident continuously during the entire year immediately preceding the election, and who has been such resident continuously for thirty days next preceding the election in the election district in which he votes, and who is able to read or speak the English language as prescribed by the Legislature, unless incapacitated from complying therewith by physical disability only, and who is not barred from voting by any other provision of law, shall be qualified to vote in any State or local election.

Committee Proposal No. 1 First Enrolled
Those citizens who legally voted in the general election of November 4, 1924, and meet the residence requirements of this section, shall not be deprived of their voting rights by any provision of this section of the Constitution.

Section 2. The Legislature may establish a system of permanent voter registration, and may provide for voting precincts within election districts; it shall provide for absentee voting; it shall prescribe the method of voting at all elections; it shall provide the manner of determining contested elections which shall include the right of appeal to a court of competent jurisdiction.

Section 3. No person convicted of a felony involving moral turpitude, unless pardoned and restored to his civil rights, and no person judicially determined to be of unsound mind, until the disability is removed, shall be qualified to vote in any State or local election.

Section 4. General elections shall be held on the second Tuesday in October of every even numbered year but the Legislature is empowered to change said date.

Section 5. Secrecy of voting shall be preserved.
Hon. William A. Egan  
President, Alaska Constitutional Convention  

My dear Mr. President:

The attached Constitutional Article entitled "Suffrage and Elections" has been unanimously approved by the Committee on Suffrage, Elections and Apportionment.

Section 1 sets forth the present suffrage qualifications of the 50-year-old Act of Congress with two changes: first, the voting age is lowered one year to twenty (20); second, the literacy test is somewhat relaxed to a requirement that qualified voters be able to "read or speak the English language as prescribed by the legislature." This leaves the test of ability to the legislative branch.

The Committee strongly believes that the present Alaskan tested and tried voting law (38-1-2 and 38-1-8 ACLA 1949) with its many decisions should be preserved, hence adopted Section 1 in the form chosen. To depart from the Act of Congress would create uncertainty and provoke needless litigation.

Section 2 is not unusual and is self-explanatory. The Committee believes that permanent registration should be required in urban areas, i.e. municipalities with population over 2,500, leaving the matter in other areas for legislative decision.
Section 3 disenfranchises those convicted of felonies involving moral turpitude, leaving the matter of restoration of civil rights to the responsible agencies of government.

Section 4 preserves the present law.

Respectfully submitted,
