Enough is enough! The legislature has shown their fiscal irresponsibility time and again, it is not the burden of the people to cover the budget for the lack of ability of the State to do their job. No to new taxes when the State fails to tax the oil companies or any corporate entities properly.

The pfd is for the people and has been used illegally by the legislature, any changes or choices regarding it must only be done with a vote by the People of Alaska not the legislature.

RE: ADAMANTLY OPPOSE SB227 and ANY BILL THAT HAS THE TERM
"MULTI-STATE COMPACT"

STOP GIVING AWAY THE STORE! Alaskans are TOO NICE FOR OUR OWN GOOD! I think that is why per Senator Giessel's chart FY2025 shows that Alaska is only getting 13.8% of State Income from the Oil Industry. Please stand up for something fair for Alaskans. Take the tough stands so that we can get the money for our resources that we deserve.

I just read now:"MULTI-STATE TAX COMPACT" WHICH I ADAMANTLY OPPOSE. I cannot possibly understand the 56 page SB227 I do not believe you do. **Please vote against it**

Last year 7-23-25 **HB121** "Accounting Practice Flexibility" passed Alaska Legislature in order that Certified Public Accountants (C.P.A.s) can more easily practice in Alaska. Friday, 2-13-26, **HB110** "Multi-State Social Worker Licensing Compact" sponsored by Rep. Andrew Gray passed 40-0 Alaska House and will be forwarded to Alaska Senate for consideration. Andrew, you are very mistaken to have sponsored HB110. Another SB172 "Occupational Therapy Licensure Compact" is pending.

ALASKA LEGISLATURE, PLEASE STOP THIS! WHAT ARE YOU DOING? You should beef up our own University of Alaska instead of, as usual, "giving away the store." It has been reported that 23% of Alaska workers do NOT live in Alaska. **HB121, HB110, and SB172 make the trend even worse.**

Until Alaska has an **ALASKA LAW LICENSURE MULTI-STATE COMPACT, WE ARE ADAMANTLY OPPOSED TO ALL THREE OF THESE BILLS AS WELL AS SB227.**

When is Alaska Legislature going to address how corrupt and unaccountable Alaska Bar Association is?
